Cohen,2007 Share in the wisdom of the model of leadership tap into your own potential for greatness Leaders are not simply born they are molded through life s victories and failures triumphs and defeats No one exemplifies this process better than Moses the most important and celebrated character in the Hebrew Bible Faced with great internal and external challenges he was sculpted into a great leader not only by circumstance but also by his own determination and devotion to his people In this powerful and probing examination of the enduring texts in the biblical tradition scholar and popular teacher Dr Norman Cohen examines Moses s journey to leadership and what he can teach you about the vision action and skills you need to be a successful leader Cohen relives Moses s development from lonely shepherd to founder of a nation emphasizing the salient points you can use to enrich the different leadership roles you are called on to play in your daily life whether it be in business religion politics education or other arenas Drawing from Moses s life you will learn to Articulate your expectations of others as a group and as individuals Empower those around you to lead more responsible ethical lives Support your co workers and family even when they fail Challenge others to reach their highest potential *Tears of Sorrow, Seeds of Hope* Nina Beth Cardin,1999 A spiritual companion for those grieving infertility pregnancy loss or stillbirth bringing solace from Jewish tradition Many people who endure the emotional suffering of infertility pregnancy loss or stillbirth bear this sorrow alone Pregnancies that end too early are hidden failed attempts at conception are barely mentioned Many women and men long to find solace in religious ritual and tradition to ease the emptiness felt from a loss that is without a face a name or a grave At last there is a source that acknowledges and encourages expressions of their grief and offers comfort in the moments of their pain Providing companionship and strength for healing from others who also have grieved Tears of Sorrow Seeds of Hope is a spiritual companion that enables the reader to mourn within the words and ways of Judaism Drawing deeply on the wellspring of comfort found in traditional Jewish texts and prayer it also offers readings and rituals created especially for parents struggling with the uncertainty and sorrow of pregnancy loss and infertility providing a source of compassion healing and hope Rethinking Synagogues Lawrence A. Hoffman,2006 A critical and challenging look at reinventing the synagogue as the centerpiece of a refashioned

Jewish community America is undergoing a spiritual revolution only the fourth religious awakening in its history I plead therefore for an equally spiritual synagogue knowing that any North American Jewish community that hopes to be around in a hundred years must have religion at its center with the synagogue the religious institution that best fits North American culture at its very core from Chapter 1 Synagogues are under attack and for good reasons But they remain the religious backbone of Jewish continuity especially in America the sole Western industrial or post industrial nation where religion and spirituality continue to grow in importance To fulfill their mandate for the American future synagogues need to replace old and tired conversation with a new way of talking about their goals their challenges and their vision for the future In this provocative clarion call for synagogue transformation Rabbi Lawrence A Hoffman summarizes a decade of research with *Synagogue 2000* a pioneering experiment that reconceptualized synagogue life providing fresh ways for synagogues to think as they undertake the exciting task of global change [Rosh Hashanah Readings](#) Arthur Green,2010-07 A compelling companion to Rosh Hashanah that connects the words of our ancestors and the central ideas of modern spiritual life Through readings and prayers from ancient medieval and modern sources offers powerful personal ways to begin the new year [A Dream of Zion](#) Jeffrey K. Salkin,2007 As anti Israel sentiment spreads around the world from Iranian President Mahmoud Ahmadinejad to former President Jimmy Carter it has never been more important for American Jews to share their feelings and thoughts about Israel and foster a connection to Israel in the next generation of Jewish and Christian adults This book features the insights of top scholars business leaders professionals politicians authors artists and community and religious leaders covering the entire denominational spectrum of Jewish life in America today and offers an exciting glimpse into the history of Zionism in America with statements from Jews who saw the movement come to life Presenting a diversity of views it will encourage people of all ages and backgrounds to think about what Israel means to them and in particular help young adults jump start their own lasting personal relationship with Israel **BOOK JACKET** [**Bowker's Complete Video**](#)
