***The Layperson's Guide to Exercise, Diet and Supplements*** Daniel J. Shamy, 2013-04-22 We instinctively know that exercise eating the right things and taking vitamins sustains our health maintains our youth and offers a sense of wellbeing Traditional fitness publications do a great job telling you what to do but lack any explanation as to the why and how They offer a map to youth by micromanaging your diet exercise and or supplements You blindly follow their lead in expectation of finding your fountain of youth through their training Every body is different which is why one map may work for one person but not another maybe it failed you so you try another What you may not realize is that although they offer step by step instruction to find the fountain they are not teaching you how to read the map Although the map is the same the directions are different for each of us to find the fountain of youth the difference between the layperson and expert is their ability to read the map as a whole that map is our anatomy That cartography lesson is learned by teaching you how exercise diet and supplements work rather than being told what in the same to follow At the end of the lesson you may now understand that your journey may require parts of many methods rather than the single direction of one the author shares his own journey as he teaches you how to read the map so

you understand how one has successfully read the map to discover his fountain of youth **Red Pill Guide to Mater Familias** Conrad Riker, When Empowerment Becomes Tyranny How Feminist Institutions Enslave Men and Erase Fatherhood Do you feel like a walking wallet in a system that strips your rights as a father husband or son Why can women weaponize the state to destroy your reputation finances and family while you face zero due process What happens to civilization when boys are indoctrinated to hate their own biology Reveal the hidden mechanisms feminist elites use to replace paternal authority with state controlled matriarchy Learn how family courts false accusations and equality laws are engineered to dispossess men Discover why evolutionary biology proves male leadership is non negotiable and how to reclaim it Unmask the medical industrial complex s abortion loopholes that let women kill children men can t save Break free from the double bind of toxic masculinity damned if you re strong despised if you re vulnerable Defeat paternity fraud traps that force men to fund kids who aren t theirs Arm yourself against social services that treat fathers like suspects and mothers like saints Reverse engineer the cultural Marxist playbook that turned schools media and corporations into feminist re education camps If you want to dismantle the gynocentric state protect your family and resurrect masculine sovereignty buy this book today [Medicare and Medicaid Guide](#) ,1969 [Guide to Congress](#) ,2000 [Guide to Congress](#) Congressional Quarterly, inc,2000 [Prospective Payment for Long-term Care](#) Judith J.
