readers test their understanding of the subject There is also new mini cases that are contemporary and more relevant to the global scenario

Versatile Routing and Services with BGP Alcatel-Lucent, Colin Bookham, 2014-02-17 Design a robust BGP control plane within a secure scalable network for smoother services A robust Border Gateway Protocol setup is vital to ensuring reliable connectivity an essential capability for any organization The Internet has become a necessary always on service in homes and businesses and BGP is the protocol that keeps communication flowing But BGP also has become crucial to delivery of intra domain business services But the network is only as reliable as BGP so service enablement depends upon making BGP more stable reliable and service rich Alcatel Lucent Service Router Operating System is engineered to bear the load of the most demanding networks The system features support for Symmetric Multiprocessing and unprecedented depth of advanced routing features all within a single OS that s supported across the entire Alcatel Lucent IP MPLS router portfolio Versatile Routing and Services with BGP provides guidance toward implementation of BGP within SR OS and details the use and control of each feature The book provides in depth coverage of topics such as BGP MPLS IP VPN VPLS VPWS Labeled Unicast IPv4 reconvergence and multicast Security graceful restart and error handling IPv6 PE 6PE and IPv6 extensions to BGP MPLS IP VPN A look at forthcoming features such as Ethernet VPN Basic BGP competency is assumed but the book is accessible even to those with zero familiarity with Alcatel Lucent s SR OS It underscores the idea that BGP is more than just service enablement and can also be used for infrastructure layer transport but both layers must be solid scalable and able to quickly reconverge Versatile Routing and Services with BGP demonstrates the creation of a robust BGP control plane within a secure network allowing the delivery of flawless uninterrupted service

The Archer's Register ,1879 The Corporate Overlords will be Kind: Campaign Finance, Representation and Corporate-led Democracy Radu George Dumitrescu, 2021-07-06 The Corporate Overlords will be Kind is a unique book in that it makes use of a multi pronged approach journalistic legal theoretical to find document and explain instances in which well known corporations such as Wal Mart Uber McDonald s Airbnb Gillette Nike and others have involved themselves as artificial persons in political and social debates involving aspects such as gender racism sexual minorities and gun ownership This book argues that these transnational multi billion dollar corporations that thrive in the globalized world market are forced to take explicitly political stances by the very environment in which they activate and by the consumers whom they serve taking on the latter s values and opinions and representing them to retain them as customers The Corporate Overlords will be Kind advances that corporations are now and will increasingly be the loudest voices in the political market square of the United States but that such a situation is not necessarily a cause for concern This book thus departs from the traditional scholarly views of Citizens United the 2010 landmark decision of the Supreme Court which granted free speech to corporations as persons as a woe to democracy and argues that the ageless deathless genderless nationless corporations will be the political representatives of the futures not political parties This book will appeal to undergraduate and graduate students specializing in social sciences
