Dynamic Assessment of Students' Academic Writing Prithvi N. Shrestha, 2020-09-11 This book explores the application of an innovative assessment approach known as Dynamic Assessment DA to academic writing assessment as developed within the Vygotskian sociocultural theory of learning DA blends instruction with assessment by targeting and

further developing students Zone of Proximal Development ZPD The book presents the application of DA to assessing academic writing by developing a set of DA procedures for academic writing teachers It further demonstrates the application of Hallidayan Systemic Functional Linguistics SFL combined with DA to track undergraduate business management students academic writing and conceptual development in distance education This work extends previous DA studies in three key ways i it explicitly focuses on the construction of a macrogenre whole text as opposed to investigations of decontextualized language fragments ii it offers the first in depth application of the powerful SFL tool to analyse students academic writing to track their academic writing trajectory in DA research and iii it identifies a range of mediational strategies and consequently expands Poehner s 2005 framework of mediation typologies Dynamic Assessment of Students Academic Writing will be of great value to academic writing researchers and teachers language assessment researchers and postgraduate students interested in academic writing alternative assessment and formative feedback in higher education

The Seven P's of the Apple Watch's Marketing-Mix Santiago Mas,2018-08-22 Research Paper undergraduate from the year 2016 in the subject Business economics Offline Marketing and Online Marketing grade 1 3 University of Applied Sciences Essen course Master of Business Administration MBA language English abstract After setting marketing objectives and marketing strategies the Marketing Mix represents the third and last level of planning in the marketing conception Therefore once the market for the Apple Watch has already been defined and correspondingly analyzed the next step will be to review what the different elements of the Apple Watch Marketing Mix are and how they interact with each other The interaction among them shows clearly how changes and decisions made which affect to one specific area of a product s Marketing Mix produce different changes and up to what extent in the rest of the elements2 demonstrating that they cannot be seen considered or analyzed separately but as a whole It is clear then that only by approaching the Apple Watch Marketing Mix as a whole in which each part is irreplaceable and subordinated to Apple s marketing strategy can be obtained a complete view of the level of efficiency they achieve when exploiting the two Unique Selling Propositions already stated in the conclusions of the first assignment
