Considering Comparison Oliver Freiberger, 2019-01-02 The comparative method is an integral part of religious studies All the technical terms that scholars of religion use on a daily basis such as ritual hagiography shrine authority fundamentalism hybridity and of course religion are comparative terms Yet comparison has been subject to criticism including postcolonialist and postmodernist critiques Older approaches are said to have used comparison primarily to confirm preconceptions about religion More recently comparison has been criticized as an act of abstraction that does injustice to the particular neglects differences and establishes a mostly Western power of definition over the rest of the world In this book Oliver Freiberger takes a closer look at how comparison works Revisiting critical debates and examining reflections in other disciplines including comparative history sociology comparative theology and anthropology Freiberger proposes a model of comparison that is based on a thorough epistemological analysis and that takes both the scholar's situatedness and his or her agency seriously Examining numerous examples of comparative studies Considering Comparison develops a methodological framework for conducting and evaluating such studies Freiberger suggests a comparative approach which he calls discourse comparison that confronts the omnipresent risks of decontextualization essentialization and universalization This book makes a case for comparison arguing that it is indispensable for a deeper analytical understanding of what we call religion The book is intended to enrich the practice of both aspiring and seasoned comparativists stimulate much needed further discussions about comparative methodology and encourage more scholars to produce responsible comparative studies

Audrey Hepburn Biography: The Charming Life of Audrey and How She Coped with Fame, Love Affairs and More? Chris Dicker, Audrey Hepburn has been on the spot light in Hollywood for many years during the time Marilyn Monroe was alive Audrey was charming the audience with variety of acting dancing and singing skills It all started in her childhood where Audrey had a strong pull towards ballet In fact she has been a ballerina for a while before even thinking of acting or movies Audrey Hepburn's life was not like most celebrities She knew the war pretty well with all the misery pain suffering and hiding that comes with it This kind of experience shaped her in a way to show compassion towards the unfortunate and I believe this is what made her participate in UNICEF later in her life Audrey Hepburn even turned down offers for movie auditions that were related to the war in 1940s because she knew what was like with tears in her eyes She could not play a role like that In this biography you'll learn how Audrey Hepburn became successful because she was not born with a silver spoon in her mouth She had to go through trial and errors from one audition to another to make it work In fact Audrey had a lot of disappointing roles in movies that were not revealing her true potential as an actress You'll also learn in this book the messy and not quite perfect personal life of Audrey Hepburn with two divorces over the years and a lot of miscarriages She has been involved in many love affairs even when she was married You'll also learn who Audrey's parents were like and how supportive they were for her You'll see through her success fame and tears when she was alive Why critics loved her and how her professional

career got in the way to live more balanced personal life Audrey was a talent in a very interesting and twisted way With charm grace and style Audrey conquered Hollywood and burned the hearts of so many men If you want to learn MORE about Audrey Hepburn grab this biography now
