Concert Tickets Twitter Review:

The Rise and Rise of Illegal Ticket Touting Alessandro Moretti, 2023-02-10 This book presents an ethnographic study of contemporary ticket touts in the UK Despite the recent interest in the topic of black market ticket sales media coverage and parliamentary interventions over the last ten years have revealed a widespread lack of knowledge with regard to the phenomenon of touting and the players engaging in the practice The Rise and Rise of Illegal Ticket Touting sheds light on the world of touting and delivers an authentic picture of the individuals involved of their methods values and motivations for performing ticket touting as an organised entrepreneurial deviant activity The touts varied methods of buying and selling tickets the hierarchical structures and strict ethos of their criminal organisations and their specific *modi operandi* for evading detection and arrest both on the streets and online are focal points of the study Of equal importance are the touts attitudes perceptions and adaptations to or outright dismissal of society's legal and moral frameworks This book illuminates why historic and renewed attempts to challenge ticket touting have been unsuccessful focusing on inadequate legislation a lack of enforcement and the widespread corruption and exploitable loopholes that exist within the official primary ticket market An accessible and compelling read The Rise and Rise of Illegal Ticket Touting will appeal to students and scholars of criminology sociology social policy policing and all those with an interest in live music and sport and the hidden practices that lurk beneath the surface

Register, Genre, and Style Douglas Biber, Susan Conrad, 2019-05-16 A brand new edition of this flagship work that provides detailed descriptions of important text varieties in English along with methodological techniques to carry out analyses

Black British Postcolonial Feminist Ways of Seeing Human Rights Pamela Odih, 2024-12-29 This book traces the feminine soul of Afrobeat from tumultuous colonial her stories through to the vibrant heterotopias of the urban spaces and times of Black British youths of African racial heritage Communicative action is a human right as per the portents of the United Nations in its 1948 declaration which recognises the human right to communication Borne from the cultural political struggles against persistent coloniality in post independence Nigeria Afrobeat is communicative action Afrobeat is the music of Nigerian dissent that has become the music of an African diaspora Unique in its way of seeing intergenerational decolonial diaspora studies through the refracted prism of Nigerian Afrobeat this book's extensive empirical and theoretical basis is directed toward the question How to be Black British born in a country that colonised our maternal ancestors It will be of interest to scholars and students in gender studies African studies decolonial studies sociology and media studies
