**Together Is Best** Sergio Blanco, 2014-05 Three rabbit friends discover what they are best at Darcy finds no other rabbit can outperform him in digging Farold realizes that he is the best runner and Howell's long ears enable him to hear over very long distances Each of the three rabbits is very proud of their own ability and anticipates recognition from their friends When they meet each of them is only focused on talking about his own qualities without listening to the others Their individual beliefs that their own skills are the most important skill for a rabbit to have result in a loud and passionate argument that catches the attention of a hungry lynx The lynx captures the rabbits and takes them to his hut to cook them for lunch In order to have his hands free for the meal preparation the lynx puts the rabbits under a metal cage with a heavy rock on top to keep them from escaping He then goes about the process of meal preparation with the scared rabbits looking on Under pressure the story tells how the rabbits realize that individual skills are useless for an escape unless they combine their abilities A clever and well planned combination of Darcy's digging Farold's speed and Howell's listening skills might just work Tension rises as they put the plan into action all under the watchful eyes of the lynx who is anticipating a meal comprised of the three friends Several times the rabbits almost despair of being able to escape

At an apartment that's finally buzzing with activity after the Covid years, four strong-willed women are about to be catapulted into a situation that changes them irrevocably. All because they agreed to play a harmless Diwali game. Meenakshi hates conflict, but the tall, dark, handsome stranger she's mooning over brings so much drama in his wake. Is he worth the emotional upheaval she's preferred to stay away from? Falguni's reticence keeps her safe. But is it suffocating her husband, who is a social animal? Shantha's command over her fellow residents has been challenged. What can she do to remind them that she's still the GOAT? Bhaanu is caught between conflicting reactions as she tries to reign in a stubborn neighbour. Is she setting herself up for a fabulous debacle that will shatter her standing in society? Through the monthlong Diwali game, the four women begin questioning their own beliefs and ways of living, often finding each other at crossroads they didn't expect to navigate. Can the four of them support each other despite their apparent antipathy? What is it going to cost each of them to tear down their defences and offer a helping hand? Will this Diwali Dhanya event turn into the proverbial game-changer in their lives?
