Generating Amazon Product Reviews Matthew Gumke, 2019-08-27 Amazon.com is based in Seattle Washington The company was founded by Jeff Bezos American entrepreneur and inventor The primary focus is AI cloud computing digital streaming and e-commerce Amazon disrupted established industries and wiped out many large companies through their mass growth through technological innovation They quickly became the world's largest and most convenient e-commerce marketplace and also the world's largest company Billions are spent on Amazon by consumers every year This turned Jeff Bezos into the world's richest man as he owns a 12% stake in Amazon The company was primarily founded as an online book marketplace They later expanded to start selling everything Amazon customers love the company because of the two day delivery service In many areas it's one day delivery or even same day delivery Because of this amazing delivery service Amazon won't be budged as the number 1 e-commerce platform This along with their openness to adopt cryptocurrencies ensures that it'll continue to be a platform used by all This is because many of the population are scared of the debt based economic crisis the world is in exacerbated by trade wars and questionable economic policies By being open to take cryptocurrencies Amazon will continue to dominate as the world's largest company and largest e-commerce provider For this reason it's more important than ever to rank your products on Google through Amazon Google's algorithm is based on content Whoever has the largest quantity of relevant content will dominate Google search Of course the domain rating of Amazon and backlink profile to your listing play a significant factor How do you increase the amount of content on your

listing page so it's Google friendly. Maximizing your features and description is crucial. After that, it's increasing being able to generate Amazon product reviews. You need a reliable system for generating reviews to win on both Google and Amazon. By ranking on Google, you'll also rank on Amazon because you'll be sending so much traffic to Amazon and they'll reward you. Even Amazon reviews alone will help you rank on Amazon; ranking on Google will add fuel to the fire and rocket your listing. The author, Matthew Gumke, is an expert in SEO, search engine optimisation, with multiple books on the subject, clients and thousands of students across the world. He's been able to use search engines to create multiple passive income streams. From his success with SEO, Matthew has become the leading English speaking teacher for Kaya Online. Kaya Online is the largest Amazon e-commerce training company in the world with experts teaching Amazon and other online subjects in multiple languages. Matthew has found a passion for teaching search engine optimisation and makes it simple for anyone to understand regardless of their current skill level. In this book, Matthew explains how to generate Amazon reviews without violating Amazon's terms of service. He will also warn you of common ways that other Amazon sellers violate their terms of service. He'll also warn you of the serious repercussions if you're caught doing this. Terms of service violations include buying reviews for your products. NEVER buy reviews for your products; this is against Amazon's policy and will get your account suspended. When your account gets suspended, funds will be held until they finish investigating. This can take up to a year. Asking for 5 star reviews. NEVER ask someone to leave you a 5 star review for your products; this is also against Amazon's policy and will get your account suspended. Remember when your account gets suspended, funds will be held until they finish investigating. This can take up to a year. Matthew will give you 7 strategies that hardly any Amazon sellers know about. Knowing these strategies will put you in the top 1% of Amazon sellers when it comes to generating reviews. Learn and rank your products today.
