Collections, 2015 **Inky Verses and Polished Hearses** E. Bassey, 2012-12-29 A conversation with a friend inspired E Bassey to pen this book In this publication he blends two writing techniques poetry and storytelling This title is a hybrid of the two aforementioned styles of literature In addition these writings are uniquely governed by a theme of horror Each poem is a different tale that centers on a character or characters This piece of work is innovative refreshing and intricate Inky Verses and Polished Hearses truly showcases E Basseys appreciation for art and entertainment Revenge Capitalism Max Haiven, 2020-05-20 Capitalism is in a profound state of crisis Beyond the mere dispassionate cruelty of ordinary structural violence it appears today as a global system bent on reckless economic revenge its expression found in mass incarceration climate chaos unpayable debt pharmaceutical violence and the relentless degradation of common life In Revenge Capitalism

Max Haiven argues that this economic vengeance helps us explain the culture and politics of revenge we see in society more broadly Moving from the history of colonialism and its continuing effects today he examines the opioid crisis in the US the growth of surplus populations worldwide and unpacks the central paradigm of unpayable debts both as reparations owed and as a methodology of oppression Revenge Capitalism offers no easy answers but is a powerful call to the radical imagination
