is the recommendation of this report that one of the two adverse conditions related modules Montana or Texas Virginia Both of these modules are well designed and thorough and both would serve Arizona well They are similar in their coverage of adverse driving conditions The choice between the two would come down to Arizona s preference between the NIDB model with which the Montana curriculum is more closely aligned and the ADTSEA model with which the Virginia Texas module is more closely aligned     The Revised Codes of Montana of 1907: Constitutions Montana,1916     *The Revised Codes of Montana of 1907* Montana,E.
