**Morning Routines** Mira Skylark, AI, 2025-03-06 Morning Routines explores how a structured start to the day can significantly boost productivity enhance mental well being and improve physical health The book argues that a consistent personalized morning routine incorporating elements like mindful hygiene proper nutrition and energizing movement is a proactive strategy against daily stress It delves into the science and psychology behind habit formation and the circadian rhythm illustrating how deliberate choices made in the first few hours after waking can dramatically influence energy levels focus and overall mood One intriguing insight is the connection between morning activity and physiological regulation which impacts mood and focus throughout the day The book's unique value lies in its emphasis on individualization encouraging readers to adapt routines to their specific needs and preferences rather than offering a one size fits all solution Morning Routines progresses from foundational principles and sleep science to specific strategies for designing personalized routines including optimizing sleep incorporating exercise and mastering mindful practices It culminates in a practical guide to implementation and maintenance addressing common obstacles and offering tailored solutions for personal development and overall wellness

*Artificial Intelligence Ethics* Azhar Zia-ur-Rehman, 2025-04-17 Artificial intelligence AI has permeated every aspect of life Like every other technology AI poses risk and raises questions on ethics related to its design development deployment use and retirement While a completely ethical AI may not be possible to achieve it is possible to assess the maturity of the ethics of

certain AI based system or that of an organization that employs AI This book presents a comprehensive framework designed to guide organizations in assessing and enhancing the ethical maturity of their AI systems It provides a structured approach to evaluating AI ethics across multiple dimensions including governance transparency accountability fairness and privacy By using this framework organizations can identify areas of strength and opportunities for improvement enabling them to develop AI systems that are not only technically robust but also ethically sound This book is just the beginning of a whole new domain of AI ethics maturity assessment in which the author plans to establish a certification body for certifying systems and organizations on the maturity of their AI ethics The author may be approached for partnership in this regard at azharzr usa net

Living Without Comparing Connor Fritz, 2025-10-27

Your Worth Isn't a Number It's a Choice Are you tired of feeling like you're constantly in a race you can't win Do you find yourself scrolling through social media feeling a quiet pang of inadequacy as you compare your messy reality to everyone else's curated perfection You're not alone In a world obsessed with likes followers and highlight reels it's easy to feel like you're not doing enough not achieving enough and simply not enough This constant measuring is more than just a bad habit it's a silent thief stealing your joy draining your energy and eroding your sense of self-worth But what if there was another way What if you could silence the inner critic and find a deep unshakeable confidence that has nothing to do with what others think

Introducing Living Without Comparing This book isn't about escaping reality It's about transforming your relationship with it It's a practical empathetic guide to helping you reclaim your peace and unlock a life defined by your own values not by the world's expectations Inside you will discover how to Disarm your inner critic and replace self-doubt with powerful self-compassion Master the elegant art of saying no to reclaim your time and energy from the weight of obligation Cultivate a mindset of abundance that turns envy into genuine gratitude Embrace vulnerability and build authentic connections that are more fulfilling than any social media metric Redefine success on your own terms leaving the endless exhausting chase behind Stop letting comparison be the thief of your joy Your journey is unique Your story is your own It's time to stop looking sideways and start moving forward The freedom you've been searching for isn't found in being better than others It's found in the courage to be unapologetically yourself Get your copy of Living Without Comparing and start your journey to an unburdened life today

**The perspective**

**changes everything - A comparison of the narrative perspective of film and novel "One Flew Over the Cuckoo's Nest"** Juliane Weuffen, 2004-10-18 Seminar paper from the year 2004 in the subject American Studies Literature grade 1.0 A Ernst Moritz Arndt University of Greifswald Institute for Anglistics American Studies language English abstract The novel One Flew Over the Cuckoo's Nest by Ken Kesey is without a doubt an outstanding example of American Literature. So it was obviously necessary to make a movie out of the manuscript. Unfortunately, there are some harsh differences between movie and book which in some cases change the original plot in a way that influences the viewer. Most of the differences come out of the different narrative perspective of the film because the story is just told objectively while the book tells it from a patient's point of view. But there are inexactnesses that change the viewer's perspective towards the characters. The only fact saving the movie is the choice of incredible actors: Jack Nicholson, McMurphy, Louise Fletcher, Ms. Ratched, William Redfield, Harding, Will Sampson, Chief Bromden, and Brad Dourif. Billy Bibbit are only the main examples for the unbelievable performance shown in this movie by all actors. Although most of their characters are illustrated differently in the book, they all did a great job. Since my project is to compare the narrative perspective of the book to that of the film, my sources were the book<sup>1</sup> and the DVD<sup>2</sup>. Additionally, I have used several essays collected in A casebook on Ken Kesey's One Flew Over the Cuckoo's Nest edited by George J. Searles<sup>3</sup>. This book was a very valuable source for my work because the essays contain lots of information, interpretations, and views of various authors on many different themes. 1. Ken Kesey One Flew Over the Cuckoo's Nest Signet Books 1995 2. Einer flog über das Kuckucksnest Warner Bros Home Videos 2003 3. George J. **Interrupted: Comparison of book and movie** Nadine Klemens, 2003-02-18 Seminar paper from the year 2002 in the subject American Studies Literature grade 1.3 A Technical University of Braunschweig English Seminar course HS Film and Literature language English abstract You spent nearly two years in a loony bin. Why in the world were you there? I can't believe it. Translation: If you're crazy, then I'm crazy, and I'm not so the whole thing must have been a mistake. 125 How do we know whether someone is insane or sane? Susanna Kaysen's account Girl Interrupted is told to us through the eyes of a girl who is diagnosed with a borderline personality disorder. Can we believe the things she is telling us, or are her memories distorted by her mental illness? The unreliability of the first person narrator is not only a question when dealing with the book, but it is also an interesting aspect to consider when taking a closer look at the cinematic version of Girl Interrupted. In order to analyze how Kaysen's literary work was adapted, I will first shortly introduce the book and the movie. Then I will compare the two works with regard to narrative perspective, plot, and time frame, characters, and cultural background. **Public**
