**International Economic Law in a Developed Korea** Asif H Qureshi, Nany Hur, Jeong Ah Lee, 2026-01-27 The book

examines South Korea's evolving role in the global economic legal framework by analyzing how this developed nation navigates complex trade relationships. It shapes international norms and addresses emerging challenges in a rapidly changing world order. Through detailed case studies of South Korea's economic diplomacy with major partners, it traces the country's strategic transition from adhering to GATT rules to becoming a leader in regional free trade agreements. It also explores South Korea's innovative methods of integrating sustainability and digitalization into its trade policy. The book provides a clear understanding of how a developed Asian economy balances domestic priorities with international obligations. By investigating the causal mechanisms behind its policy choices, the book assesses the strengths and weaknesses of South Korea's strategies as an influential middle power and their global impact. This book will be of interest to scholars and policymakers in international economic law, comparative law, international trade, and investment law, particularly those interested in Asian perspectives on global economic governance.

*Business for Development: Fostering the Private Sector*  
OECD, 2007-05-16

This book details the activities of the private sector in developing and emerging economies and demonstrates how these activities are interrelated with government policies.
