Kirk Boswell, 2020-09 There are many ways to learn Spanish and one sure way to lose it If you don't use it Don't do it Instead hold on to your hard earned Spanish and learn more by taking the *Cómo se dice* Quiz and studying Spanish 1 lesson a day The lessons of *Cómo se dice* Spanish for How does one say are designed to put you in daily contact with Spanish Each volume of *Cómo se dice* offers a select group of 122 new lessons enough to keep you in Spanish for 4 months 1 lesson a day with a quiz Each lesson begins by asking how to say an English word expression or phrase in Spanish Like a flash quiz this simple format gives you the opportunity to solve the lesson in Spanish before you proceed to read the lesson It does not matter that you answer correctly but rather that you engage in this exercise Thinking about how to say something in Spanish is much more effective as a learning tool than simply being told how to say something The skill level of *Cómo se dice* ranges from entry level to intermediate to a bit of advanced Following the quiz each lesson is broken into its component parts which are defined and demonstrated by examples Lesson topics range from simple vocabulary to a rule of grammar to the finer points of Spanish This variety is meant to engage you and give you the knowledge and tools you need to take your Spanish to the next level Remember Spanish should never be harder to learn than it has to be Accordingly *Cómo se dice* will always strive to show you how English and Spanish are the same as well as different so that you can leverage your own knowledge of English into a knowledge of Spanish For example the English noun transportation goes Spanish as *transportación* reservation means *reservación* education becomes *educación* and so on Knowing just this one link
