Oh Hampden In The Sun Mainstream Sport:

British Sport: Local histories Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian International Sport Richard William Cox, 2004 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new Oh, Hampden in the Sun . . . Peter Burns, D. E. Ed. Wood, Pat Woods, 1998-09-01 Celtic s astonishing 7 1 victory over arch rivals Rangers in the 1957 Scottish League Cup final brought the club its last major trophy prior to the appointment of Jock Stein as manager in 1965 and the glory years which followed The triumph was the final major success achieved by such famous Celtic stars of the 50s as Charlie Tully Neil Mochan Willie Fernie Bobby Evans Bertie Peacock Sean Fallon and Bobby Collins Oh Hampden in the Sun not only tells the story of that remarkable game which still stands as the most emphatic victory in a national cup final in Britain but also commemorates Celtic their players and supporters viewed in the social context of life in the West of Scotland 40 years ago This book explores both the romance and the reality of Celtic and the club s supporters in that era through extensive interviews with players and fans supplemented by much original research The mystery of the missing television film of the 7 1 match in finally solved and Celtic fans will be able to revel in a mass of anecdotes and reminiscences surrounding one of the greatest moments in their history and in indelible part of the club s folklore *British Sport - A Bibliography to 2000* Richard Cox, 2014-02-04 Volume two of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Heroes are Forever** John Cairney, 2011-04-15 James Edward McGrory 1904 82 is a Celtic legend remembered today as the greatest goal scorer in the history of Scottish football His record of 550 goals in his 15 year career at Parkhead from 1922 to 1937 is unlikely to be surpassed and will stand forever as a memorial to a player who was a typical product of the period between the two world wars At a depressing time when wages were low and work was scarce his feats on the field provided a welcome and much needed escape for the thousands of ordinary cloth capped Scottish working men who packed the dirt terracing to cheer on every move he made Heroes are Forever tells the full story of McGrory s life and career and is set against the vividly drawn background of the inter war period It is a portrait of a loyal

modest and inspirational man who lifted the hearts of his countrymen and raised the spirits of a nation It was he after all who by scoring twice for Scotland in 1933 provoked the original Hampden Roar **Celtic & Ireland in Song and Story** ,2008

Waterstone's Guide to Scottish Books Nick Rennison,Colette Bryce,1998 **Diego Maradona** Pablo Brescia,Mariano Paz,2022-12-01 This is the first book in English to closely examine the life of Diego Maradona from socio cultural perspectives exploring how his status as an icon a popular sporting hero and a political figurehead has been culturally constructed reproduced and manipulated The volume looks at representations of Maradona across a wide variety of media including literature cinema popular music printed and online press and radio and in different countries around the world to cast new light on topics such as the instrumentality of sporting heroes and the links among sport nationalism and ideology It shows how the life of Maradona from his origins in the barrio through to his rise to god like status in Naples and as a postcolonial symbol of courage and resistance against imperial powers across the global south alongside scandal and his fall from grace powerfully illustrates themes such as the dynamics of gender justice and affect that underpin the study of sport culture and society This is essential reading for anybody with an interest in football sport studies media studies cultural studies or sociology **N.W.
