Old England Houses Classic Reprint:

Old Houses in England (Classic Reprint) Rowland C. Hunter, 2017-10-22 Excerpt from Old Houses in England Several generations contributed artisans who are collectively responsible for the creation of this fine old work. They seemed to possess a born instinct to mould of simple materials buildings that were pleasing to look upon and in many instances true works of art. In all this work there is a feeling of sincerity a fitness of purpose a living art which the present generation has been only too slow to appreciate. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy. In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition. We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Old English Houses Allan Fea, 2018-03-14 Excerpt from Old English Houses The Record of a Random Itinerary. But the word restoration however modified does not harmonise with ancient buildings and though the busy wheels of progress travel rapidly there are still out of the way nooks and corners in Old England where like the slower movements of a clock things proceed as tardily as they did a century or more ago. The Cottage Homes of England (Classic Reprint) Stewart Dick, 2018-02-11 Excerpt from The Cottage Homes of England IN this volume I have attempted to summarise the history of the old English cottages and farm houses which still adorn the villages and lanes of the countryside and in some measure to trace the causes which resulted in their present form. Without entering into undue technicalities I have also endeavoured to explain clearly their system of construction.
