## ESL Reading Comprehension - Writing Activity on "Studio Ghibli"

Another approach to a more robust measurement strategy with continuous or off-the-shelf technologies is to implement the technology from three different vehicles with geographically overlapping flight routes to become a more robust source of ground truth. As the result of this approach, measurement capacity increases exponentially, as a temporary detector enhances each of these independent measurement methods to become a source of evidence.

Важно подчеркнуть, что в соответствии с законом о защите конкуренции, если в результате проверки выявлено, что в ходе осуществления предпринимательской деятельности юридическим лицом или индивидуальным предпринимателем нарушены положения о защите конкуренции, то в соответствии с законом о защите конкуренции, виновные лица подлежат административной ответственности, а юридическое лицо – юридической ответственности.

These individuals are not necessarily different from generalists, and it is likely that most of them are generalists. However, the distribution of these individuals is not uniform, and it is likely that they are more common in some areas than in others. This is likely due to the fact that these individuals are more likely to be found in areas where there is a higher density of generalists.
