**Monasticon Anglicanum : A History Of The Abbes And Other Monasteries, Hospitals, Friaries, And Cathedral And Collegiate Churches, With Their Dependencies, In England and Wales**, 1846

*Monasticon Anglicanum* William Dugdale, 1846 **Mediated Interfaces** Katie Warfield, Crystal Abidin, Carolina Cambre, 2020-05-14 Images of faces, bodies, selves and digital subjectivities abound on new media platforms like Snapchat, Instagram, YouTube and others. These images represent our new way of being online and of becoming socially mediated. Although researchers are examining digital embodiment, digital representations and visual vernaculars as a mode of identity performance and management online, there exists no cohesive collection that compiles all these contemporary philosophies into one reader for use in graduate level classrooms or for scholars studying the field. The rationale for this book is to produce a scholarly fulcrum that pulls together scholars from disparate fields of inquiry in the humanities doing work on the common theme of the socially mediated body. The chapters in Mediated Interfaces: The Body on Social Media represent a diverse list of contributors in terms of author representation, inclusivity of theoretical frameworks of

analysis and geographic reach of empirical work Divided into three sections representing three dominant paradigms on the socially mediated body representation presentation and embodiment the book provides classic creative and contemporary reworkings of these paradigms The Vision; Or Hell, Purgatory, and Paradise ... Translated by the Rev. Henry Francis Cary ... A New Edition, Corrected. With the Life of Dante, Chronological View of His Age, Additional Notes, and Index Dante Alighieri,1876
