## **Youtube Vs Promo:**

*Conflict Coverage Promotion: High Quality or High Concept? A multimodal analysis of claims-making in conflict coverage promotional spots of Al Jazeera English and CNN International* Chris Veits, 2014-02-01 Today even the war and conflict coverage of 24 hour news networks is subject to heavy promotion and part of the networks advertising and branding campaigns These commercial aspects of news production however seem to oppose concepts of journalistic quality This study analyses claims of journalistic quality and high concept in conflict coverage promotion spots and how they are linked to better understand the ideological complexes of CNN International and Al Jazeera English The findings show an equal number of quality and high concept claims with differences in the nature of the claims between the two networks Strong patterns are found in quality and high concept claims of both 24 hour television news networks The largest number appears in the visual mode The research also shows that analysing this kind of media text needs to be multimodal and that a social semiotic approach is appropriate for analysing claims making and linking in conflict coverage promotional spots Audiovisual

Tourism Promotion Diego Bonelli, Alfio Leotta, 2022-01-03 This book deploys the concept of audiovisual tourism promotion to account for the promotional functions performed by a vast array of diverse media texts including tourism films feature films digital videos conceived for online circulation video games and TV commercials From this point of view this volume fills a major gap in the literature by providing the first comprehensive critical overview of audiovisual tourism promotion as a distinct media field In this book the study of audiovisual tourism promotion is characterised by an interdisciplinary approach which combines film studies media studies human geography sociology tourism studies history postcolonial and gender studies This book will appeal to a wide range of students and scholars from different disciplines **Health Promotion** Nova

Corcoran, 2023-12-21 Health Promotion The Basics introduces not only the fundamental theories and key concepts within this important area of health and social care but translates these into practice for anyone working in the field The chapters are structured around the WHO's Ottawa Charter 1986 which underpins the discipline and cover a comprehensive range of topics From developing personal skills to understanding government policy the book looks at health promotion on both an individual and a societal level It spotlights key topic areas from behaviour change to climate change as well as exploring how where we live impacts our health and features practical examples for integrating health promotion into existing service provision and through community action Including case studies throughout and further reading for those wishing to explore specific topics this is the perfect introduction to what health promotion means and how it can improve everyday lives
