**Letters to Margaret** Hayley Gold, 2021-12-31 Letters to Margaret is a crossword graphic novel split in two parts one facing the opposite direction from the other. It is a comic book you can solve as it is loaded with crossword puzzles of the kind you'd find in the New York Times. As the reader solves the puzzles, the characters comment on the crosswords throughout and one of the characters gets a few edits from the Times's long passed editor Margaret Farrar. The book challenges the reader's perception of what should be in a crossword puzzle, plunging them into the world of cruciverbalism. **DoorDash**
