Bruce, Sunshine R. Sullivan, 2025-12-09 The edited volume Digital Video Composing Multimodal Teaching Assessment provides an in depth examination of teachers intentional use of learning teaching and assessment practices with digital video DV across a range of educational contexts Digital Textualities and Spaces in ELT Theresa Summer, Ralf Gießler, 2025-03-31 The digital world opens up a vast number of spaces such as immersive virtual reality digital book corners and discourses marked by hashtags In this volume we argue that digital spaces and textualities should play a more central role in English language teaching and learning ELT emphasising their multimodal and interactive nature as a means of engaging with different layers of meaning in the target language Digital spaces function as contact zones where readers and writers communicate negotiate experiences and shape collective identities Within these spaces digital textualities create opportunities for competence development across various language related domains fostering a critical engagement with texts Bringing together theoretical insights conceptual developments and case studies this volume explores the potential of

digital spaces and textualities for ELT while addressing their practical implications The African Book Industry  
 UNESCO,2025-06-18 *Retooling Study Abroad* Carmen Granda,2023-11-02 Study abroad is the ideal option for world language students to immerse themselves in the target language and culture However circumstances beyond control may make travel challenging even impossible Technology has the potential to engage students and provide an opportunity for linguistic and cultural immersion from home In addition to immersing students in the target language and culture Carmen Granda shows that technology can be implemented in all world language courses to foster connections and comparisons and most importantly create community in and outside of the classroom She demonstrates that digital tools have the power to make language learning inclusive of and accessible to all students fulfilling diversity equity and inclusion DEI goals of higher education
