**Searcher**, 2004-06    *Web Security* Hanqing Wu, Liz Zhao, 2015-04-06 In late 2013 approximately 40 million customer debit and credit cards were leaked in a data breach at Target. This catastrophic event deemed one of the biggest data breaches ever clearly showed that many companies need to significantly improve their information security strategies. *Web Security A White Hat Perspective* presents a comprehensive guide to web security from a white hat perspective. It covers everything from basic concepts to advanced topics like SSL/TLS, session management, and cross-site scripting. The book is written in an accessible and practical style, making it suitable for both beginners and experienced security professionals.

**All Trap No Bait** Joseph Worthen, 2025-08-05 It's the summer of 2020 in Alabama and Beverly Jane Ornett is terminally online. To be fair the real world has lost its charms thanks to the pandemic she hasn't worked in months. Plus her longtime roommate is moving out of their filthy apartment to live with her wealthy boyfriend and the only people she communicates with are the weirdos and pariahs in her crappy poetry collective. And she's spending way too much time pining for one of them an aloof redneck she dated the previous summer. Sure she could ponder these cascading depressing failures or she could zone out on Xanax and watch YouTube tutorials on eyebrow threading and videos of hydraulic presses crushing random objects. She could peruse the poetry collective's group chat or even go to the Domino's website and use their online tools to sprinkle virtual toppings on the pizza she'd order if only she had the money. Then comes a chat message from an unfamiliar handle a demon or something worse. The demon is asking for favors and posting Bev's secrets online. Now Bev has to get to the bottom of things. Nevermind the fact that she's not able to get to the bottom of much except maybe a bottle of cough syrup. In short order she's exploring or perhaps stumbling through a world of viral rap stars and webcam girls all the seediness that Mobile and the internet have to offer. Which is quite a bit of seediness indeed. Maybe the truth is out there and maybe it's not but either way Bev's life is about to change forever. *All Trap No Bait* is both a gripping book about a hapless detective and a Southern Gothic novel for the cyber age something like the bastard love child of Flannery O'Connor and The Big Lebowski. Hilarious and harrowing a chronicle of its depressing time and an immensely entertaining escape from ours it's a landmark work and an incredible debut by a major new talent Joseph Worthen.
