Home Depot offers a 10% discount for military service but the service they provide is atrocious.

1. The app malfunctions more often than actually works. Refreshed it 4x and then had to ask an associate for assistance. She was watching us struggle and yet had to be prompted for assistance. She was more concerned about fixing her hair :(.
2. Self checkout is the reason we often opt for other stores because if I buy from you the least you can do is check me out or give me an additional discount for doing the work for you.

We used to go to Home Depot several days per week but reduced it tremendously, opting for Amazon or Lowe's. Why can it not be sufficient to show my military ID? Are people showing fakes? Greatly disappointed by the lack of service.
