Reciting Short Quranic Verses     **A Guide to Salat (Prayer) in Islam** Muhammad Abdul Karim Saqib,2015-04-13 There are many books dealing with the Subject of Salat in both Arabic and Urdu Many of these books are well written and provide an informative and comprehensive view of how Salat should be performed according to the teachings of Prophet Muhammad S W S Unfortunately there are very few books in English which deal with the subject in the same informative and comprehensive way Because of these weaknesses in existing literature in English we felt that the need existed to produce a medium sized book on Salat which would approach the subject according to the teachings of the Prophet Muhammad S W S The Prophet himself said Pray as you have seen me praying During our research we sometimes found that differences occurred between established practices in various prayer books In these circumstances we referred to authentic hadiths of the Prophet Muhammad S W S so that the points could be clarified as much as possible This was because for a true Muslim there is no greater proof for settling arguments than authentic hadiths and practices of Prophet Muhammad S W S We hope that Allah will accept this humble attempt because without His support and help we would never have been able to do this work Finally we ask all our Muslim brothers and sisters to study the text and to strive to pray according to it As you ll not aware that many sites are asking for money in I have made this book free to all countries and in return I m asking for you to remember me in your prayer It was also mentioned by Dr Zakir Naik in one of his speech that the best book to recommend is this book watch in video [http://www.youtube.com/watch?v=L\\_xTrig2XEE](http://www.youtube.com/watch?v=L_xTrig2XEE) Thanks to all for downloading and making better use of this book It gives immense pleasure to announce that A Guide to Salat Prayer in Islam is downloaded in most of country Presenting name of top 3 countries where this book is downloaded the most SG Singapore 5755 US United States 2112 GB United Kingdom 1026 Thanks to All Remember me and an author in your prayers     **A Simple Guide to Prayer for Beginners** Batool Al-Toma,2014-04-13 This book has been prepared to assist and remind Muslims how to perform salah prayer in Islam It is ideal for new Muslims as it includes pictures step by step instructions and the words Muslims must recite during the prayer in transliteration and English     **A Guide to Namaz:** Muhammad Webb,2018-01-05 A manual on Islamic Prayer with Arabic text transliteration and translation of the prayer ritual by one of the first converts to Islam in the United States     **Islam** Faisal Fahim,2014-07-27 This book has the pictures of all the positions of performing the prayer There has been an urgent need for a simple and concise guide which teaches the basics of prayer for Muslims This book has been designed for people who don t know how to pray yet or those who aren t sure whether they learned correctly or not In this book you will learn the prayers by reading clear and simple descriptions of what to do The 5 times 5 prayers rewards are equal to 50 prayers Then fifty prayers were enjoined on me I descended till I met Moses who asked me What have you done I said Fifty prayers have been enjoined on me He said I know the people better than you because I had the hardest experience to bring Bani Israel to obedience Your followers cannot put up with such obligation So return to your Lord and request Him to reduce the number of prayers I returned and requested Allah for reduction and He made it forty I returned and met Moses
