Sweeter Than Chocolate

Lizzie Shane, 2023-01-17 Now a Hallmark Channel original movie Do the Cupid chocolates from Lucy's shop really help people meet their One True Love? Dean, a TV reporter, has his doubts. Lucy's chocolate shop How Sweet It Is has been in her family for generations along with the secret recipe for Cupid chocolates. Rumor has it that if you eat one on February 14, you'll meet your soulmate. Lucy herself isn't sure if it's magic or just romantic optimism, but a family legend is at stake. Besides, with her grandmother to support and a rival bakery opening up across the street, it certainly doesn't hurt to believe. Dean, an ambitious and skeptical TV reporter, doesn't like the idea of a business taking advantage of romantic desperation. He doesn't count on Lucy joining him as he tracks down and interviews couples supposedly brought together by the chocolates. Together, they find that the truth can be complicated, especially when it comes to their own hearts

Daily Graphic Nana Addo

Twum, 1981-01-22 *Daughter of Heaven* Leslie Li, 2011-12-03 In this powerful, touching memoir of a critically acclaimed Chinese American writer, taste becomes the keeper of memory and food the keeper of culture when Nai nai, her extraordinary grandmother, arrives from mainland China. Leslie Li's paternal grandfather, Li Zogren, was China's first democratically elected vice president to whom Chiang Kai-shek left control of the country when he fled to Formosa in 1949. Nine years later, Li's wife, Nai nai, comes to live with her son's family in New York City, bringing a whole new world of sights, smells, and tastes as she quickly takes control of the kitchen. Nai nai's tantalizingly exotic cooking opens up the heart and mind of her American granddaughter to her Chinese heritage and to the world. Through her grandmother's traditional cuisine, Leslie bridges the cultural divide in an America in which she is a minority as well as the growing gap at home between her rigid traditional

Chinese father and her progressive American born mother Interspersed throughout her intimate and moving memoir are the author's personal recipes most from Nai nai's kitchen that add a delicious dimension to the work A loving ode to family and food Daughter of Heaven is an exquisite blend of memory history and the senses
