Johns, Shing-Ling Chen, G. Jon Hall, 2004 *Online Social Research Methods Issues and Ethics* is a collection of essays by veteran online researchers who provide testimonial illustrations as to how traditional research methods may be modified for effective online research as well as identify and discuss the critical issues and dilemmas encountered. The former serves as a resource for teachers students and researchers who utilize online environments for information gathering. The latter is designed to stimulate ongoing debates and creative ideas about an as yet nonregulated arena of research. *Online Social Research* addresses online research which are practiced in the fields of communication journalism sociology psychology marketing education medicine as well as related disciplines that may have occasions to utilize surveys interviews and observations for information gathering in online environments. Since this book deals with methodological consideration it is designed as a text for research methods classes as well as a resource for researchers **Pathology and the Postmodern** Dwight Fee, 2000-02-11 This is a wonderful volume powerfully written timely insightful and filled with major pieces the passion intellectual rigor and sense of history found here promises to shape this field in the decades to come. This volume sets the agenda for the future Norman K Denzin University of Illinois A beautifully crafted manuscript which re invigorates the rather stale debate between the traditionalists and the anti psychiatry schools of thought. For all those working in mental health arenas the journeying through this text will be highly rewarding indeed. Stick with it Mental Health Care. This is a book which will appeal to those interested in theoretical debates rather than to practitioners who may find it heavy weather if they have not had the time or resources to engage with what are often quite difficult and often dense writings *British Journal of Social Work* This book presents a clarity that is vivid. This book would be a good place for psychiatrists to start. *British Journal of Psychiatry Pathology and the Postmodern* explores the relationship between mental distress and social constructionism using new work from eminent scholars in the fields of sociology psychology and philosophy. The authors address how specific cultural economic and historical forces converge in contemporary psychiatry and psychology how new syndromes subjectivities and identities are being constructed and deconstructed in technological culturally mediated and hyper reflexive contexts and what new critiques of positivism and new understandings of pathology seem viable given these still emerging scenarios. Building upon work in such areas as labelling theory feminist studies linguistics and post structuralism the twelve chapters engage the cultural historical and political conditions that should be implicated in our understanding of contemporary mental suffering *Clinical and Cultural Knowledge of Multiple Personality Disorder as a Social Site of Perplexity* Leland Mark Searles, 2001 **International Encyclopedia of Marriage and Family** James J.
