[A Brief History of Basketball in Brazil - From Amazonian Playgrounds to Urban Courts](#)

Luckey Helms,2024-07-26 Explore the lively history of basketball in Brazil with A Brief History of Basketball in Brazil This book takes you from the sport s early days when it was brought by American missionaries in the 19th century to its place today as one of Brazil s most popular sports Learn how basketball grew in Brazil becoming a major part of the country s culture and producing famous players who shine on the global stage Read about the key moments and important people who shaped Brazilian basketball like the start of the Confedera o Brasileira de Basketball CBB and the international success of players such as Oscar Schmidt Hort ncia Marcari and Anderson Varej o Discover stories of legendary teams historic games and the unique style of Brazilian basketball See how grassroots programs and community efforts help develop young talent and promote inclusivity With interesting stories and thorough research A Brief History of Basketball in Brazil shows how basketball has impacted Brazilian society and culture Whether you love basketball study Brazilian history or are curious about sports this book is a compelling and informative read

[The Business of Sports](#)

Dennis R. Howard,Brad R. Humphreys,2008-06-30 The sports industry is large visible and growing and it has a huge impact on society That s obvious to die hard fans who not only watch sporting events but buy everything from balls to ties to paperweights with their favorite team s logo But even sports haters can t escape the onslaught of professional sports They are asked to chip in as taxpayers to build public stadiums and their children are like it or not exposed to events sponsored by alcohol and tobacco companies not to mention the juvenile antics of star athletes Businesses of course take a hit in productivity when the Olympics or World Series or Super Bowl or World Cup rolls around Yet most of us love to watch and play The Business of Sports takes on this endlessly fascinating behemoth of an industry to make sense of it all Yes sports is big business How big Estimates of total annual U S spending on sporting goods and services range from 250 to 560 billion a year and spending related to organized sport alone has been estimated at 200 billion per year And it s getting bigger casting an ever larger shadow over the entire globe The Business of Sports throws light on the subject by exploring the business and

economic dynamics of the industry from a diverse array of perspectives that cover the industry's macroeconomic management and marketing promotion issues Volume 1 Perspectives on the Sports Industry documents the current size scope and magnitude of the sports industry in the U.S. and abroad including the U.K. and China. It also examines the importance of the world's most visible sporting events like the Olympics and the impact of sporting events broadcast around the world. Volume 2 Economic Perspectives on Sport takes an in-depth look at the sports industry from an economic perspective. The volume delves into the inner workings of leagues and teams covering economic issues from the design of sports leagues to franchise financial valuations to salary caps to labor relations. Volume 3 Bridging Research and Practice fills the gap between scholarly research on sport and practitioners working in the industry. Topics include evaluating talent, maintaining managerial efficiency, analyzing statistical performance indices, and assessing the noneconomic benefits of professional sports. Business and sports are a potent mix of two of the strongest forces moving our society today. And as the stratospheric salaries of professional athletes indicate, the industry is going through major growth and change. To make sense of it all, it helps to understand the underlying economic principles driving the business decisions made daily by owners and managers in all corners of the world. The unique multivolume format of The Business of Sports allows sports nuts, journalists, business people, and students to explore the wide variety of issues that fuel the world's crazy passion for all things athletic.

Sports Marketing Sam Fullerton, 2024-05-15 Formerly published by Chicago Business Press, now published by Sage Sports Marketing. Fourth Edition guides students in gaining a better understanding of how to develop and implement marketing strategies and tactics within the sports marketing industry. Author Sam Fullerton provides thorough coverage of this discipline's two broad perspectives: the marketing of sports products and creating a sports platform as the foundation for the marketing of nonsports products.

Compendium of Professional Basketball Robert Bradley, 1999 **The Management of Sport** Bonnie L. Parkhouse, 2005 A text for junior and senior undergraduates and postgraduates students in sport management addressing theoretical foundations and applications of the profession. Covers innovative topics including experiential learning, organizational theory, and group decision making, as well as traditional aspects such as contract law, facility management, sponsorship, and budgeting. Learning aids include key terms, summaries, review questions, case studies, and exercises.
