Design News, 1986 **The Sexual Trafficking in Children** Daniel S. Campagna, Donald Poffenberger, 1988 This book provides practical information on offenses and offenders in child sexual trafficking including child pornography, juvenile prostitution, procuring, pedophilia, sex tourism, indenturing and sex rings. The information is based on 5 years of field research through interviews with victims, offenders and agency practitioners, field observations and case studies from police and social service files. Chapters on offenders and victims define the major terms, describe the various markets and survey types of child sexual exploiters with particular attention to pedophilia. Four aspects of child sexual trafficking are then examined in detail: hustling, pimping, child pornography and the international child sex trade. Chapters on ways to counter child sexual trafficking include a weighing of the prospects for reform through State and Federal statutes and judicial advocacy, alternative sentencing and improvement in the quality of relevant professional services. An examination of the victimization cycle.
