Wilkerson,2022-11-01 Who are we Where are we going And why are we so divided Why America Matters addresses these questions and argues that the place Americans call home is worth fighting for The widely held belief of past generations that America is special with an extraordinary role to play in the world remains true but has been undermined by external adversaries internal contradictions and weakness of vision Why America Matters reveals how the nation faces four crises extraordinary circumstances confused identity corrupt institutions and inept policy engagement The idea of America is under attack yet many of our wounds are self inflicted Powerful forces within our country hostile to the ideals of America seem to be winning These agents seek to rewrite America s history undermine its institutions and silence those who don t agree All the while America s foreign adversaries prey on our divisions and weaknesses America is neither declining nor dying but in a winter season Our current political and social crises represent fertile ground for national springtime and renewal a process the nation has gone through before While the country has never been more divided on partisan cultural and ideological lines there is a path to achieve the unity and vigor necessary to confront the twenty first century s challenges Americans must recognize and reject false ideologies resist surveillance and tyranny take back our communities schools and families and assert our enshrined rights to free speech and privacy The world recognized that America was great because America was good America s founding ideals timeless values and distinctive national character are needed now more than ever But we can t simply go back to the past A new century requires a new vision of American greatness Why America Matters points the way Why America Matters is an astonishing achievement Wilkerson s masterful synthesis of our history as it relates to where we are right at this moment and how we can and must go forward is an inestimable gift and can hardly be praised enough Eric Metaxas is the New York Times 1 bestselling author of Bonhoeffer Martin Luther Is Atheism Dead If You Can Keep It and Letter to the American Church and founder and host of Socrates in the City Why America Matters is a courageous book Wilkerson confronts the powers both political and ideological that have conspired to destroy our nation and its values Why America Matters holds an urgent and timely message for anyone who cares about the future of this nation Why America Matters is a must read for anyone seeking to understand what is happening to America and more importantly how to fix it Matt Schlapp Chairman Conservative Political Action Coalition CPAC Michael Wilkerson has pulled off a mean feat with Why America Matters As much as it is a crisply written lament for our fractured national identity his tour de force also is a blueprint for a new generation who will be left to rebuild the moral capital squandered by their forebears America has never mattered more and Wilkerson makes the powerful case for a new exceptionalism that will require men and women of courage and virtue to join the resistance against tyranny Miranda Devine New York Post correspondent and bestselling author of Laptop from Hell *Chasing Zero* Kat Janowicz,2023-06-13 Kat Janowicz digs deep to chronicle the transformation of the LA Long Beach ports as a springboard for exploring the larger quest for an emission free world The landmark 2002 ruling in a lawsuit against the Port of Los Angeles and one of its terminal operators sent shock waves through global supply chains To

stay in business and continue to compete on the world stage the LA and Long Beach ports had to start listening to the community and find common ground for reducing port related air pollution Ultimately the ports underwent nothing short of an environmental reformation Technical documents legislative records and news reports offer bits and pieces of this story but the full account has never been told until now Drawing on more than two decades of experience in the energy transportation and technology sectors Kat Janowicz digs deep to chronicle the transformation of the LA Long Beach ports as a springboard for exploring the larger quest for an emission free world the choices the costs and the challenges Janowicz reviewed thousands of documents watched hundreds of hours of video recordings and spoke to more than 150 people to tell this story and decode its complexities Those who shared their knowledge insights and personal stories include current and former port executives and staff elected and appointed officials private industry leaders scientists educators and everyday people who live and work in Southern California Captivating informative and entertaining Chasing Zero is a primer for everyone from ordinary people to high level decision makers seeking to better understand the global trade supply chain technology energy and environmental issues and policies that affect us all While painting a vivid portrait of the global challenges we face the book sheds light on the exciting opportunities for current and future generations willing to tackle them
