Dow Jones Private Equity Analyst ,2008 *Gender and Innovation in the New Economy* Seppo Poutanen,Anne Kovalainen,2017-06-05 This book provides a thorough and novel examination of the gendered nature of innovations in the new economy. It tracks the contemporary shift from heavy industry to game industry and how this has altered relationships between gender identity, corporate culture, creative work, and the future of business. Through empirical research and theoretical analysis, the authors present their own carefully contextualized cases and conceptual frameworks relating themes of innovation and gender to recent theories concerning globalization and transnationalism. This wide-ranging and interdisciplinary text provides readers with insightful entries on what innovations are and the ways innovation processes become gendered. It explores the business landscape based on creative work and offers a wealth of
