onslaught of COVID 19 information and misinformation in this ever changing pandemic Here you ll learn about the first antibodies ever identified the connection between tonic water and coronavirus and whether we can zap COVID with copper And although our thoughts and daily activities have been hijacked by the pandemic life does go on as does the pursuit of science Dr Joe features his usual array of diverse topics including biblical dyes essential oils Jean Harlow s hair Lincoln s magician and bioplastics along with assorted examples of quackery Delving into the many fascinating facets of science can serve as a welcome distraction from the COVID curse In fact enchantment with science can also be contagious Will you be infected

Quick & Easy Ketogenic Cooking Maria Emmerich,2016-03-15 The ketogenic diet is a way of getting your body to stop relying on sugar for energy When we get most of our energy from fat instead something amazing happens our health soars and extra weight falls off The ketogenic diet has been used as a treatment for epilepsy for decades and it also can help treat obesity heart disease metabolic syndrome autoimmune disease and more This book makes the ketogenic diet simple and accessible for everyone no matter how busy you are or how much cooking experience you have Plus with its emphasis on real whole foods it s perfect for anyone following Paleo and its abundance of nut free egg free and dairy free options make it ideal for those with food allergies or intolerances It includes more than 170 recipes plus an introduction to the ketogenic diet explains how and why it works and how to become a fat burner There are also tips and tricks for keto success suggestions for eating keto at restaurants and six meal plans two weekly and four monthly to make meal planning effortless No matter how busy you are there is time to eat well Your health is worth it

The Trained Nurse and Hospital Review ,1946 **Eat Fat, Get Fit** Kusha Karvandi,2017-04-30 Discover the healthy power of fullness and flavor in the important nutrient known as fat in a guide to customizing your diet by the founder of Exerscribe When you re trying to lose weight it s reasonable to want to lose body fat in specific areas You want flat abs a tighter tummy leaner legs or less flabby arms But often you re told it just isn t possible Nonsense Kusha Karvandi has seen his clients get the results they want faster than ever with a customized approach helping them become their own diet detective to find which foods work best for their body Now he shares his discoveries so you can have the body and confidence you desire The problem with the health and fitness industry is that it makes people think they re just weak and that the best way to achieve the body they want is to suck it up and push harder Reality shows exhaust participants with hours of daily exercise and extremely low calorie diets but if more is better why do the majority rebound and gain the weight back again and again The truth is you re stronger than you think It isn t that you somehow lack willpower or discipline it s that you just don t have the right heuristics yet which one of Karvandi s mentors defined as the ability to make a decision based on limited amounts of information The beauty of a heuristic is that it doesn t drain your willpower like calorie counting or fad diets may In this book he shows how to craft your own diet heuristic so you can make good eating decisions no matter where you are or how much willpower you have Though everyone has their own individual natural set point when it comes to weight our bodies were not programmed for obesity But when we began eating

unnatural processed foods vegetable oils and refined carbohydrates for example we shifted our bodies toward fat storage rather than fat burn By avoiding foods that force your body to store fat you can lose weight quickly and easily and create unstoppable momentum in your quest for fitness success
