Act Like an Author, Think Like a Business Joylynn M. Ross, 2020-11-24 There s literary success and there s financial literary success and you can have them both Do you want to make money with your book Do you want to make a living as an author There s more to doing so than simply writing and publishing your book Many authors dive into the literary industry without taking time to learn the business side of being an author This could dramatically hinder your book sales and the money you can make as an author Without a guide such as this mastering the art

of financial literary success can take you years and you'll be sure to make mistakes during the learning phase. Some mistakes could cost you money; other mistakes will keep you from making money. This tool will allow you to avoid those mistakes altogether as well as shorten your learning curve on how to make money as an author. Start making money with your book and literary business now. Provide tips to maximize and monetize your role as an author. Think outside the book to make money other ways than book sales. This book will not only put you on the path of monetary opportunities but by following the author's systems and strategies you can fund your literary success. To understand the difference between literary success and financial literary success, crack open this remarkable book. You'll also crack the code to discovering what it feels like to achieve your literary dreams, visions, and goals.

[The Rideshare Guide](#) Harry Campbell, 2018-04-03. An industry leader's guide to making Lyft and Uber work for you. In less than five years, ridesharing has grown from nonexistence into a billion-dollar industry. Uber now has two million drivers in the United States; Lyft has seven hundred thousand, and both show no signs of slowing down. Despite the large number of drivers, Uber and Lyft provide little in the way of help for new drivers who complain that there is a lack of guidance when starting out. Harry Campbell, founder and director of The Rideshare Guy blog and podcast, and a driver himself, can help. The Rideshare Guide offers a comprehensive and engaging handbook for current and prospective rideshare drivers. Learn how to decide between Uber and Lyft; maximize passengers and profits; maintain a five-star rating; keep safe and interact appropriately with passengers; navigate legal matters and tax codes. Campbell explains these and much more, also including funny, shocking, and bizarre tales from the road. Whether you are thinking about becoming a driver or a veteran wondering about UberPool and tax help, The Rideshare Guide by the Rideshare Guy has the answers.

The U.S. Healthcare Ecosystem: Payers, Providers, Producers Lawton Robert Burns, 2021-03-16. An Essential Guide to the Processes and Operational Complexities of the U.S. Healthcare System. A Doody's Core Title for 2023. The U.S. Healthcare Ecosystem serves as an expert navigator through the complicated and often confusing environment where healthcare payers, healthcare providers, and producers of healthcare technologies all interact. This thorough resource provides expert insight and analysis of employer-based health insurance, pharmacy benefits, the major professions, healthcare consolidation, drug discovery and development, biotechnology, and much more. Packed with timely examples and filled with illustrations, The U.S. Healthcare Ecosystem will inspire you to think more critically about the business of healthcare and make informed assessments. Features include often neglected topics impacting healthcare delivery such as employer-based health insurance, pharmacy benefits, healthcare consolidation, and biotechnology. Highly readable and single-authored by a Wharton Professor who has taught health care delivery and management for over 20 years. Filled to the brim with helpful diagrams, charts, and tables, nearly 350 figures complement the text. Every chapter ends with a helpful Summary and Questions to Ponder.
