### Nursing Process Framework

NACE questions are written using the following framework:

#### Assessment

Assessment involves collecting cultural, emotional, and physical data, as well as recognizing specific signs, symptoms, and behaviors.

#### Analysis

Analysis involves interpreting data, identifying needs, and making diagnoses.

#### Planning

Planning involves goal-setting, selecting measures for care, and identifying correct care-giving techniques.

#### Implementation

Implementation involves responding to clients appropriately when they ask for information or require teaching.

#### Evaluation

Evaluation involves recognizing effects (both intended and unintended) of treatments and measures, determining evidence of compliance with the treatment plan, and determining the response to treatment.
