A Aslandogan,2019-05-01 This book narrates the life of Prophet Muhammad peace be upon him shedding light upon segments of his life that are either neglected or glossed over in conflict focused biographies The narrations in this book revolve around the Prophet s various strategies of diplomacy and reconciliation to avoid conflicts In narrating these events the book helps the readers broaden their perspective on the life of the Messenger of God and better capture the ethos of his life Indeed both Muslims and non Muslims may benefit from this understanding at a time when violent extremist groups such as ISIS are causing carnage with their brutality while dressing their totalitarian ideologies in Muslim garb The book exposes the hypocritical and willful deception of these radical groups which cherry pick incidents and sayings from the Prophet s life decontextualize them and abuse them to serve their perverted ideologies The extensive evidence presented in this book will not only dispel many myths about the life and message of the Noble Prophet but also show how through compassionate efforts he conquered the hearts of people around him and turned them from die hard enemies to devoted faithful friends **Education, Religion, and the Modern Age** Mohammad Sharif Khan,1990 Infidel Behind the Paradoxical Veil Jeanette M. English,2011-02 Most Western non Muslim women couldn t envision surrendering their freedom and being forced to comply with Saudi women s entrapped customs which have existed for the past 1 400 years Did you know that Saudi Arabia s religious police known as the Mutawa can take any woman to jail for not covering her hair or wearing an abaya How would you imagine yourself living a life being compelled to abide by the power and values of men not being able to drive talk with your driver shop alone without a male escort leave the country without a male escort or be seen alone with a non related male INFIDEL BEHIND THE PARADOXICAL VEIL A Western Woman s Experience in Saudi Arabia is a personal

story of startling encounters such as mentioned above while Jeanette English lived in Riyadh the most restrictive city in Saudi Arabia where women who by Shariah law and culture are considered to be the weaker sex Jeanette candidly unmask a unique experience which exposes the enigmatic issues affecting Saudi women Their struggle for equality and freedom of choice is a hot topic with an accelerating interest in the subject of male dominance over them stirring an intrinsic controversy over which many Westerners are confused This is a timely book offering extraordinary insight into the real Saudi woman before during and after the author's year in Riyadh which will turn a few cynical heads toward understanding the issues and challenges in their achieving fair treatment particularly now in the 21st century Forced to wear the hijab Jeanette read the Quran and in learning about Islam and talking with Saudi women was able to look behind the veil which many Westerners can only read about Most authors and journalists who write on this subject have not lived her experience
