Part III describes procedures on the day of the test. Part IV provides sample questions to help you prepare for this test.

### **Part I General Information**

#### **PURPOSE OF THE EXAMINATION**

This examination is required for professional licensure by Illinois law to certify that each cosmetologist is familiar with practices, rules and regulations that will protect the health, safety and welfare of the public. Copies of the Act are available from the Illinois Department of Financial and Professional Regulation (IDFPR) on their website at [www.idfpr.com](http://www.idfpr.com).

#### **TEST VALIDITY**

This examination has been developed in consultation with a committee of cosmetology teachers. Test questions reflect standards and practices documented in a survey of licensed cosmetology teachers. Each question is supported by commonly used cosmetology textbooks (see page 13).

#### **APPLY ONLINE**

Complete the application online at [www.continentaltesting.net](http://www.continentaltesting.net) and submit all required transcripts and related documents. An application is not complete until it includes a valid email address and all fees have been paid. Credit card payment is available as part of the online application. Each approved candidate receives an email from PSI that provides instructions to schedule a testing appointment.

#### **SPANISH & CHINESE FORMS**

This test also is available in Spanish and Simplified Chinese. Each person must select their preferred form of the test on their application.

#### **TIME LIMIT**

Each candidate schedules a PSI appointment to allow time to verify IDs and complete other check-in procedures. The time limit for the examination is two (2) hours.

#### **SPECIAL ACCOMMODATION REQUESTS**

An application for special accommodations with appropriate documentation is required before any special arrangements can be completed. If approved, the candidate will receive an email from PSI with instructions to schedule a test date in a test center that has appropriate facilities. Candidates who are approved for special accommodations must schedule using the PSI Call Center. Testing appointments with special accommodations must be made at least two weeks prior to the desired test date.
