Shakespeare's Hamlet Macbeth King Lear Julius Caesar and A Midsummer Night's Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize The Conscious Teacher is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well The Conscious Teacher is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling Meeting Standards Through Integrated Curriculum Susan Drake, Rebecca Burns, 2004-02-15 If you've ever thought that standards based teaching and required content prevent you from integrating subject areas then here's a book that will change the way you think and alert you to exciting new possibilities in your approach to teaching Learn how to identify the connections in your standards that provide the basis for interdisciplinary units Explore all types of integrated curriculum and how they bridge content standards to authentic relevant learning experiences And understand how to create interdisciplinary units that provide data based evidence of student learning A planning template and detailed examples of successful integrated curriculums are included to help you implement integrated curriculum in practice Discover how you can make learning more exciting for students and rewarding for you Note This product listing is for the Adobe Acrobat PDF version of the book
