Improving Practice and Performance in Basketball Aaron T. Scanlan, Vincent J. Dalbo, 2019-11-18 Despite being one of the most popular sports worldwide basketball has received limited research attention compared to other team sports Establishing a strong evidence base with high quality and impactful research is essential in enhancing decision making processes to optimize player performance for basketball professionals Consequently the book entitled Improving Performance and Practice in Basketball provides a collection of novel research studies to increase the available evidence on various topics with strong translation to practice in basketball The book includes work by 40 researchers from 16 institutions or professional organizations from 9 countries In keeping with notable topics in basketball research the book contains 2 reviews focused on monitoring strategies to detect player fatigue and considerations for travel in National Basketball Association players In addition 8 applied studies are also included in the book focused on workload monitoring game related statistics and the measurement of physical and skill attributes in basketball players This book also has a strong focus on increasing the evidence available for female basketball players who have traditionally been under represented in the literature The outcomes generated from this book should provide new insights to inform practice in many areas for professionals working in various roles with basketball teams

The NBA's Global Empire Joshua K. Wright, 2025-02-21

During the 1992 Summer Olympics in Barcelona the Dream Team a collective of the National Basketball Association's top talent led by Michael Jordan Magic Johnson Larry Bird and Charles Barkley shook up the world as they amazed spectators and opponents on their way to winning gold Their success introduced the world to the NBA's charismatic superstars and their artistic brand of basketball Over the next two decades youth outside of America dreamed of becoming the next Michael Jordan Kobe Bryant and LeBron James The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies By the 2022-23 NBA season there were 109 international players from 39 countries a Canadian franchise and a league in Africa Today's best players are Africans Canadians and Europeans like Nikola Jokic and Victor Wembanyama This book presents the history of the NBA's ascension to a billion dollar global empire analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium How essential is globalization for the NBA to thrive in the 21st century Do the benefits outweigh the geopolitical controversies associated with being a global brand Is globalization responsible for a decline in American born NBA players and declining domestic popularity These questions and others are answered in this first treatment of the NBA's global reach
