Advanced API Security Prabath Siriwardena, 2019-12-16

Prepare for the next wave of challenges in enterprise security. Learn to better protect, monitor, and manage your public and private APIs. Enterprise APIs have become the common way of exposing business functions to the outside world. Exposing functionality is convenient but, of course, comes with a risk of exploitation. This book teaches you about TLS, Token Binding, User Managed Access (UMA 2.0), Cross-Origin Resource Sharing (CORS), Incremental Authorization, Proof Key for Code Exchange (PKCE), and Token Exchange. Benefit from lessons learned from analyzing multiple attacks that have taken place by exploiting security vulnerabilities in various OAuth 2.0 implementations. Explore root causes and improve your security practices to mitigate against similar future exploits. Security must be an integral part of any development project. This book shares best practices in designing APIs for rock-solid security. API security has evolved since the first edition of this book, and the growth of standards has been exponential. OAuth 2.0 is the most widely adopted framework that is used as the foundation for standards, and this book shows you how to apply OAuth 2.0 to your own situation in order to secure and protect your enterprise APIs from exploitation and attack.

What You Will Learn

- Securely design, develop, and deploy enterprise APIs
- Pick security standards and protocols to match business needs
- Mitigate security exploits by understanding the OAuth 2.0 threat landscape
- Federate identities to expand business APIs beyond the corporate firewall
- Protect microservices at the edge by securing their APIs
- Develop native mobile applications to access APIs securely
- Integrate applications with SaaS APIs protected with OAuth 2.0

Who This Book Is For

Enterprise security architects who are interested in best practices around designing APIs. The book is also for developers who are building enterprise APIs and integrating with internal and external applications.

What makes Netflix's Bodyguard so successful? An intimate viewing Mela Z., 2019-05-15

Essay from the year 2019 in the subject Art, Photography and Film, grade 1.0, University of Art and Design Linz, Kunsthochschule Linz, language English, abstract: What makes Bodyguard so successful? An intimate viewing. When in due time after watching Netflix's Bodyguard, simply didn't fade out of my mind, it made me a little uneasy. I felt compelled to try and find out what was so compelling in there. The investigation then became a bit of an obsession in itself, which no doubt ran away with me sometimes turning into some dubious lanes here and there. Nonetheless, it was enjoyable as I hope it is for you.

too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life
