

## Practising Phonics

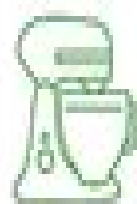

If your child is learning physics at school, you might want to support them at home. But first, convince *us* what to do.

If you are not sure what you think, talking to a school psychologist or counselor will help you to become confident in your decision. Remember, if you're having trouble making a choice, the [Decision Support System](#) could be a really helpful tool that allows you to explore the options available.

How many days do you have to make up a missed class? If you're a student at a college, you may have to make up a missed class. If you're a student at a high school, you may have to make up a missed class. If you're a student at a university, you may have to make up a missed class.
