[Behold a Pale Farce](#) Bill Blunden, Violet Cheung, 2014-04-01

This book presents a data driven message that exposes the cyberwar media campaign being directed by the Pentagon and its patronage networks By demonstrating that the American public is being coerced by a threat that has been blown out of proportion much like the run up to the Gulf War or the global war on terror this book discusses how the notion of cyberwar instills a crisis mentality that discourages formal risk assessment making the public anxious and hence susceptible to ill conceived solutions With content that challenges conventional notions regarding cyber security Behold a Pale Farce covers topics including cybercrime modern espionage mass surveillance systems and the threats facing infrastructure targets such as the Federal Reserve the stock exchange and telecommunications in a way that provides objective analysis rather than advocacy This book is a must read for anyone concerned with the recent emergence of Orwellian tools of mass interception that have developed under the guise of national security

[Modes of Esports Engagement in Overwatch](#) Maria

Ruotsalainen, Maria Törhönen, Veli-Matti Karhulahti, 2022-03-09 This Open Access book provides a comprehensive review of the rapidly developing esport phenomenon by examining one of its contemporary flagship titles Overwatch Blizzard Entertainment 2016 through three central themes and from a rich variety of research methods and perspectives As a game with more than 40 million individual players an annual international World Cup and a franchised professional league with teams from Canada China Europe South Korea and the US Overwatch provides a multifaceted perspective to the cultural social and economic topics associated with the development of esports which has begun to attract attention from both commercial and academic audiences The book starts with an introduction chapter to Overwatch and esports engagement in general co authored by the editors This is followed by 15 unique chapters from scholars within the field of game cultures and esports representing ten different nationalities The contributions construct thematic sections that divide the book into three parts Players Diverse Audiences and Fan Fiction Work As such the parts provide a wide ranging overview of esport engagement thus disclosing the phenomenon's cross cultural transmedial and interconnected relations that have not been
