*The Everything War* Dana Mattioli, 2024-04-25 LONGLISTED FOR THE FINANCIAL TIMES BUSINESS BOOK OF THE YEAR 2024 Riveting and explosive This is the business story of our time Christopher Leonard New York Times Bestselling Author of *Kochland* and *The Lords of Easy Money* A hard hitting analysis of Amazon's dominance Makes a compelling case that no company should be this powerful Financial Times From veteran Amazon reporter for The Wall Street Journal *The Everything War* is the first untold devastating expos of Amazon's endless strategic greed its pursuit of total domination by any means necessary and the growing efforts to stop it For over twenty years Amazon was the quintessential American success story whilst its customer obsession approach made it indelibly attractive to consumers across the globe But the company was not benevolent it operated in ways that ensured it stayed on top coming to dominate over a dozen industries beyond retail growing voraciously by abusing data exploiting partners copying competitors and avoiding taxes leveraging its power to extract whatever it could at any cost and without much scrutiny Until now With unparalleled access and having interviewed hundreds of people from Amazon executives to competitors to small businesses who rely on its marketplace to survive Dana Mattioli exposes how Amazon was driven by a competitive edge to dominate every industry it entered bulldozed all who stood in its way reshaped the retail landscape transformed how Wall Street evaluates companies and altered the very nature of the global economy In 2023 the Federal Trade Commission filed a monopoly lawsuit against Amazon in what may become one of the largest antitrust cases in the 21st century As Amazon's supremacy is finally challenged *The Everything War* is the definitive inside story of how it grew into one of the most powerful and feared companies in the world and why this is the most consequential business story of our times Financial Times Business Book of the Year Award 2024 announced

August 2024    **HCI in Business, Government, and Organizations: eCommerce and Innovation** Fiona Fui-Hoon Nah, Chuan-Hoo Tan, 2016-07-04 This volume constitutes the refereed proceedings of the Third International Conference on HCI in Business Government and Organizations HCIBGO 2016 held as part of the 18th International Conference on Human Computer Interaction HCII 2016 which took place in Toronto Canada in July 2016 HCII 2016 received a total of 4354 submissions of which 1287 papers were accepted for publication after a careful reviewing process The 53 papers presented in this volume are organized in topical sections named social media for business electronic mobile and ubiquitous commerce business analytics and visualization branding marketing and consumer behavior and digital innovation    *Sustainable Development and Planning* X G. Passerini, N. Marchettini, 2018-12-17 This volume contains research from the 10th International Conference on Sustainable Development and Planning The papers included in this volume form a collection of research from academics policy makers practitioners and other stakeholders from across the globe who discuss the latest advances in the field Problems related to development and planning which affect rural and urban areas are present in all regions of the world Accelerated urbanisation has resulted in deterioration of the environment and loss of quality of life

Urban development can also aggravate problems faced by rural areas such as forests mountain regions and coastal areas amongst many others Taking into consideration the interaction between different regions and developing new methodologies for monitoring planning and implementation of novel strategies can offer solutions for mitigating environmental pollution and non sustainable use of available resources Energy saving and eco friendly building approaches have become an important part of modern development which places special emphasis on resource optimisation Planning has a key role to play in ensuring that these solutions as well as new materials and processes are incorporated in the most efficient manner The application of new academic findings to planning and development strategies assessment tools and decision making processes are all covered in this book Bezonomics Brian Dumaine,2020-05-12 An easy and engaging read Quite often though it is eye opening Hugo Rifkind The Times Does a valuable job of explaining how Amazon sees itself Financial Times Amazon is the business story of the decade Jeff Bezos the richest man on the planet has built one of the most efficient wealth creation machines in history Like a giant squid Amazon s tentacles are squeezing industry after industry and in the process upsetting the state of technology the economy job creation and society at large So pervasive is Amazon s impact that business leaders in almost every sector need to understand how this force of nature operates and how they can respond to it Saying you can ignore Jeff Bezos is equivalent to saying you could ignore Henry Ford or Steve Jobs in the early years of Ford and Apple These titans monumentally changed how we do business redefining the rules on a global scale Amazon founder Jeff Bezos is the new disruptor on the block He has created a 21st century algorithm for business and societal disruption He has turned the retail industry inside out is swiftly dominating cloud computing media and advertising and now has his sights trained on every other domain where money changes hands and business is transacted But the principles by which Bezos has achieved his dominance customer obsession extreme innovation and long term management all supported by artificial intelligence turning a virtuous cycle flywheel are now being borrowed and replicated Bezonomics is for some a goldmine for others a threat for still others a life shaping force whether they re in business or not Brian Dumaine s Bezonomics answers the fundamental question how are Amazon and its imitators affecting the way we live and what can we learn from them
