Gallup,Frank Newport,2007 Pyramid Lake is one of the largest lakes in the Great Basin the terminus of the Truckee River flowing from Lake Tahoe into northern Nevada This desert oasis with a surface area of nearly two hundred square miles is a unique geological feature and was home to the Paiute for thousands of years before the arrival of explorer John C Fremont in 1844 For the Paiute it was a spiritual center that provided life sustaining resources such as the cui ui a fish unique to the lake and now endangered For the ranchers and farmers who settled on tribal lands the

waters that flowed into it were necessary to raise cattle and crops Mergen tells how these competing interests have interacted with the lake and with each other from the Paiute War of 1860 to the present The lake's very existence was threatened by dams and water diversion it was saved by tribal claims favorable court decisions improved water laws and the rise of environmentalism At Pyramid Lake is about more than Indians and water wars however It is the story of railroads on the reservation and the role of federal state and private groups interested in sportfishing It is about scientists artists and tourists who were captivated by the lake's beauty Finally it is also a story of the lake as a place of spiritual renewal and celebration Mergen grew up near its shores in the 1940s and returned frequently through the years In this cultural history he combines his personal remembrances with other source material including novels poetry newspaper and magazine journalism unpublished manuscripts and private conversations to paint a fascinating portrait of one of Nevada's natural wonders
