All There Is Kathleen Bsl Lawrence, 2013-05-22 Jackie Christopher a devoted mother and wife lives a quiet suburban life She has a comfortable home good friends and all the Pinot Noir she can drink It is enough on most days But her domestic tranquility is shattered when she attends her 15 year college reunion and is reacquainted with Charlie Wade her first true love Jackie has often secretly wondered how her life might have turned out differently if tragedy had not intervened In seeing Charlie again it is as though Jackie leaps across time and is intensely alive again for the first time in years But at what cost Jackie is torn between her commitment to her family and Charlie As Jackie struggles to make peace with her life the Sixth Sense like plot twist reveals how the seemingly disjointed pieces of her past are connected to the present if only she looks deeply enough Written with humor and grace you will laugh with Jackie and you will cry with her too All There Is is that good a story
