## **How To Roblox Horror For Adults:**

*Policy and Rights Challenges in Children's Online Behaviour and Safety, 2017-2023* Andy Phippen, 2025-01-11 This book evidences the cyclical failures of online safety policy and challenge conventional policy and educational approaches to tackling online harms and provide a robust argument for a critical evidence based approaches which align with the needs of those we claim to wish to protect It argues for a move away from knee jerk headline grabbing and subjective policy development In drawing parallels from the drug policy world contrasting the increasingly progressive and evidence based policy making in this space compared to prejudiced emotive developments in online harms

## **Netflix, Dark Fantastic**

**Genres and Intergenerational Viewing** Djoymi Baker, Jessica Balanzategui, Diana Sandars, 2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen The chapters in this book explore how this Netflixication of family television developed across landmark examples including Stranger Things A Series of Unfortunate Events The Dark Crystal Age of Resistance and even Squid Game The book outlines how Netflix is consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations This book will be of particular interest to upper level undergraduates graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies

**Tech-Smart Parenting** Catherine Knibbs, 2025-07-31 The essential new science backed parenting guide to building healthy boundaries around technology and social media from the leading cybertrauma expert and child psychotherapist Catherine Knibbs A must read for the tech anxious generation Pete Etchells psychologist and author of Unlocked The Real Science of Screen Time An essential expert and overdue guide for any parent worried about how tech is affecting their children but wanting to rely on science instead of paranoia Dean Burnett neuroscientist and author Should we ban screens We are asking the wrong question this is how we really keep our kids safe online How much screen time is too much Could my child become addicted to their smartphone Why does every rule I set start a battle Children today are growing up in a world more connected than ever before exposing them to dangers their parents didn't even imagine and raising questions they've never considered But in our rush to protect them we can do more harm than good outright bans and rules deemed unfair can push your child away when what they need most of all is you Child psychotherapist and cybertrauma expert Catherine Knibbs has helped hundreds of families work together to build healthy boundaries around technology In this

science backed guide Knibbs sets out what the evidence really says about the risks and where your fears may be misguided to empower you with the answers to make the right decisions for your family You ll discover How screens affect every stage of childhood and where the dangers actually lie The importance of keeping your child close and onside to protect them with scripts to help you communicate positively and set reasonable boundaries Realistic advice to keep your child safe and develop a balanced relationship with technology within and out of the home Tips on protecting neurodivergent children and understanding how tech can help them flourish Grounded in evidence and full of relatable stories and practical tools Tech Smart Parenting is the essential book for any parent who wants to feel informed and confident in navigating the new digital childhood
