Facebook Nation Newton Lee, 2022-02-02 This book explores total information awareness empowered by social media. At the FBI Citizens Academy in February 2021, I asked the FBI about the January 6 Capitol riot organized on social media that led to the unprecedented ban of a sitting U.S. President by all major social networks. In March 2021, Facebook CEO Mark Zuckerberg, Google CEO Sundar Pichai and Twitter CEO Jack Dorsey appeared before Congress to face criticism about their handling of misinformation and online extremism that culminated in the storming of Capitol Hill. With more than three billion monthly active users, Facebook family of apps is by far the world's largest social network. Facebook as a nation is bigger than the top three most populous countries in the world: China, India and the United States. Social media has enabled its users to inform and misinform the public to appease and disrupt Wall Street to mitigate and exacerbate the COVID-19 pandemic and to unite

and divide a country Mark Zuckerberg once said We exist at the intersection of technology and social issues He should have heeded his own words In October 2021 former Facebook manager turned whistleblower Frances Haugen testified at the US Senate that Facebook's products harm children stoke division and weaken our democracy This book offers discourse and practical advice on information and misinformation cybersecurity and privacy issues cryptocurrency and business intelligence social media marketing and caveats e government and e activism as well as the pros and cons of total information awareness including the Edward Snowden leaks Highly recommended T D Richardson Choice Magazine A great book for social media experts Will M AdWeek Parents in particular would be well advised to make this book compulsory reading for their teenage children David B Henderson ACM Computing Reviews **Introduction to Information Systems** R. Instagram Marketing George Pain, 2018-04-28 Are you looking to get better brand awareness, more followers and better customer loyalty? Launched in 2010, Instagram is a social networking app that allows users to share photos and videos using their handheld devices, such as smartphones or tablet devices. Like Facebook or Twitter, you can create your own Instagram account and watch content through your newsfeed. If you post pictures or videos on the app, these will be shown on your profile. The app showed so much potential that Facebook bought it just 18 months after its launch through an acquisition deal worth 1 Billion. What's even more impressive is that the platform has sustained its expected growth. Recent data from statista.com reveals that Instagram is now the second most popular social networking app in the United States. As of February 2018, the app recorded more than 106.17 million monthly users. If you need to market your business to people who are likely using Instagram, you should add this platform to your marketing channels.
