The planning and placement of advertising media is a multibillion dollar business that critically impacts advertising effectiveness The new edition of this acclaimed and widely adopted text offers practical guidance for those who practice media planning on a daily basis as well as those who must ultimately approve strategic media decisions Full of current brand examples the book is a must read for all who will be involved in the media decision process on both the agency and client side Its easy to read style and logical format make it ideal for classroom adoption and students will benefit from the down to earth approach and real world business examples Several new chapters have been added to the fourth edition including International advertising Campaign evaluation The changing role of media planning in agencies to give the reader a better grounding in the role of media in an advertising and marketing plan today Evaluating media vehicles filled with up to date examples Search engine marketing and a thorough revision of the chapter on online display advertising to address the increased emphasis on digital media Gaming and many new examples of the latest digital media with an emphasis on social media and a new framework for analyzing current and future social media Increased coverage of communication planning Added focus on the importance of media strategy early on in the book Separate chapters for video and audio media instead of lumping them together in broadcast Help your students master the skills and techniques needed to research plan and buy advertising media By working through carefully constructed exercises they will learn how to apply their knowledge of how media are selected and make well informed media buying decisions Over 30 assignments complete with in depth discussions cover the entire range of media problems including market analysis media analysis and media strategy

Subject Guide to Books in Print ,1997

Media Planning & Buying in the 21st Century Ronald D. Geskey,2011 Unlike existing media texts Media Planning and Buying in the 21st Century places emphasis on media planning and buying in the context of the major marketing and communications trends from integrated marketing communications the integration of traditional digital and social media the recognition that media buying and selling as equal partners with planning and much more We are in the early stages of a marketing and media revolution but existing media books are still stuck in the 20th century IMC continues to be ignored by many agencies Accountability and ROI still an alien concept Social media are barely mentioned There is little recognition of

media convergence And so on Yet consumers are gaining more and more control over their access to product information and media consumption getting the information they want when it is relevant Interactive opportunities with consumers are growing exponentially The emergence of new digital media including search mobile and internet video is both empowering for consumers and is creating new communications opportunities for brands Organizationally the textbook introduces important subjects in a logical sequential manner beginning with an introduction and positioning of media followed by the basics of media math and the concepts of audience costs and impact Next is a discussion of the issues affecting media planning from marketing and communications roles to defining target markets and more At this point students have sufficient background to develop a strategic media plan workbook provides cases After the plan is done and approved it must be executed so media buying and negotiation is discussed Finally what is the future Part I INTRODUCTION 1 Welcome to the Future 2 The Business of Media 3 The Revolution Part II THE BASICS 4 Media Math Refresher 5 Understanding Media Audience Concepts 6 Understanding Media Costs 7 Understanding Media Impact PART III MEDIA PLANNING CONSIDERATIONS 8 Media in Marketing 9 Media Communication Models 10 Defining the Target Audience 11 Geographic Issues 12 Timing Scheduling Issues 13 Developing a Budget to Grow By 14 Integrated Marketing Communications 15 Traditional Media 16 New Digital Media 17 Social Media 18 How to Develop a Strategic Media Plan PART IV MEDIA BUYING 19 Introduction to Media Buying Negotiations 20 Buying Broadcast Media 21 Buying Print Media 22 Buying Internet Advertising 23 Non Traditional Buying Channels PART V THE FUTURE 24 Media in the Future **JQ. Journalism Quarterly** ,1980 Includes section Book reviews and other bibliographical material
