Theresa Reed,2020-09-01 Tap into your sixth sense and become a better more confident tarot reader Most all tarot books present card by card interpretations as well as an instruction on how to read spreads This book takes the next logical step inward by presenting the art of reading in a workbook format and helps you learn to interpret the cards intuitively The book

falls into two parts The first part concerns learning about the cards and includes exercises for each card that teaches you to trust your interpretation of the card The second part helps you develop that ability a skill that Reed calls intuition All the exercises stories card meanings and techniques really serve one purpose to go beyond learning Tarot to living it It's not enough to memorize the meanings of the cards and you can't do a reading with a workbook at your side forever In order to deliver a meaningful accurate tarot reading you need to hone your intuition Without a comfortable connection to your sixth sense the tarot readings lack finesse and becomes nothing more than cookie cutter interpretations When you're fluent in your intuition you can develop better readings and unique interpretations for each person In this book Reed teaches by example She presents the basics of intuitive tarot reading reading without any questions any backstory anything to go on This book is filled with exercises to hone your intuition and sharpen your interpretation skills
