Organisational Change: Development and Transformation Dianne Waddell, Andrew Creed, Thomas G. Cummings, Christopher G. Worley, 2019-08-01 Change Management is a crucial process for gaining the competitive advantage that is the goal of many organisations. Leaders and change agents are often faced with conflicting challenges of motivating and understanding increasingly diverse workforces accounting to stakeholders and planning for the future in a chaotic environment. Organisation Change Development and Transformation 7e takes both an organisational development and transformational approach to change to reflect the environment of change faced by organisations today. With the field of organisational change continuing to evolve especially in an international context future directions of change management are also discussed. To emphasise the relationship between theory to practice this text provides 10 local and international case studies practitioner vignettes and a suite of online cases supported by a case matrix.

Managing and Leading People through Organizational Change Julie Hodges, 2025-08-03 Change in organizations is all about people it is people who plan

prepare for and implement change and who are affected by it in the daily course of their work However there is a tendency to focus on the more technical and quantifiable aspects of implementing organizational change programmes whilst ignoring the complex ways that these will impact individuals Providing an evidence based analysis of change in organizations Managing and Leading People Through Organizational Change is written for senior practitioners responsible for change programmes and postgraduate students of organizational change This updated edition demonstrates the importance of understanding the impact of developing technologies including AI as well as how best to implement sustainability and inclusion in the workplace With new material on individual wellbeing and the impact of hybrid working this book sets out frameworks practical approaches and recommendations for communicating with and leading individuals teams and organizations through change Full of exercises interviews and real world examples from across the globe this book is an essential resource for leaders and students enabling them to achieve sustainable benefits of change at work Organization Development Donald L.
