**Reading Media** Jonathan Gray, Daphne Gershon, 2026-02-03 Innovative methods in textual analysis to decode today's ever expanding media landscape **Reading Media** How to do Textual Analysis reinvigorates one of media and cultural studies' most foundational methods at a moment when it is most needed, showing its continuing vitality by adapting it to new media environments, cultural objects, and scholarly questions. The volume insists that the close study of meaning, form, and representation remains central to understanding media's power. With contributions from leading and emerging scholars, the book offers a diverse toolkit from narratological and semiotic analysis of film and TV to historical poetic accounts of TikTok, multimodal analysis of Afrobeats music videos, and postcolonial criticism of games. Essays extend the scope of textual analysis to unexpected objects such as plastic waste, memes, and refugee-authored media, while others demonstrate how texts operate across platforms, genres, and transmedia franchises. Beyond offering new and improved approaches to textual analysis, each chapter illustrates its approach using a specific case study, functioning both as a step-by-step guide and as an example of textual analysis in action. **Reading Media** advances a vision of textual analysis that is rigorous yet flexible, attuned to both aesthetics and politics, and responsive to today's media environment. Essential for students and scholars in media, communication, and cultural studies, **Reading Media** both reaffirms and renews textual analysis as an indispensable way of engaging with the mediated worlds that shape contemporary life.

**There's Nothing Like This** Kevin Evers, 2025-04-08 A smart page-turning exploration of the business and creative decisions that transformed Taylor Swift into an unprecedented modern cultural phenomenon. Named one of *Thirty* books we're excited to read in the first half of 2025 by *The Sydney Morning Herald*, Named to the *Financial Times* What to Read in 2025 list, Singer-songwriter Trailblazer Mastermind, The Beatles of her generation. From her genre-busting rise in country music as a teenager to the economic juggernaut that is the Eras Tour, Taylor Swift has blazed a path that is uniquely hers. But how exactly has she managed to scale her success multiple times while dominating an industry that cycles through artists and stars like fashion trends? How has she managed to make and remake herself time and again while remaining true to her artistic vision? And how has she managed to master the constant disruption in the music business that has made it so hard for others to adapt and endure? In *There's Nothing Like This*, Kevin Evers, a senior editor at *Harvard Business Review*, answers these questions in riveting detail. With the same thoughtful analysis usually devoted to iconic founders, game-changing innovators, and pioneering brands, Evers chronicles the business and creative decisions that have defined each phase of Swift's career. Mixing business and art analysis and narrative and pulling from research in innovation, creativity, psychology, and strategy, *There's Nothing Like This* presents Swift as the modern and multidimensional superstar that she is: a songwriting savant and a strategic genius. Swift's fans will see their icon from a fresh perspective. Others will gain more than a measure of admiration for her ability to stay at the top of her game. And everyone will come away understanding why, even after two decades, Swift keeps winning.
