How To Be a Digital Nomad and Work Wherever You Want Curtis Duggan, 2022-08-16 If you're reading this congratulations You're one of the first people to check out this new book How To Be a Digital Nomad and Work Wherever You Want I can guarantee it'll be the best most concise book you'll read out there on becoming an effective remote worker and digital nomad This book was created to help you do something that is life changing but straightforward Take your source of income and move temporarily or permanently wherever you'd like to go in the world That's it No fluff no aspirational lifestyle mantras no self-help guru stuff I break down the components of the remote work lifestyle tackle them one by one and give you the frameworks you need to plan your next move By the way we're also always updating it and improving it as we learn new information The global landscape for remote work is changing every single week We'll keep this guidebook updated accordingly You won't have to worry about purchasing the 2023 2024 and 2025 versions of this guidebook over and over again like your favorite guidebook at the bookstore Purchasing this book is a lifetime pass to all future versions of this book How To Be a Digital Nomad and Work Wherever You Want is your trusty guidebook as you prepare to embark on a remote work adventure I wrote this book based on my decade of experience as a remote worker CEO and co-founder of a remote first company and as a part-time digital nomad And now I get to share my information with you It's never been easier to design the life you want and work wherever you want This is why I love the era that we are living in Remote work has created the biggest shift in 100 years in how we work That's right Remember the invention of computers The Internet Smartphones Those were just warm-up rounds that enabled the latest seismic earthquake in how we live and work For the first time in history you don't need to be physically located close to your job or source of economic opportunity In this easy-to-digest book I share everything I know about planning executing and transitioning to life as a remote worker abroad You'll learn What the term digital nomad means why I think it's cheesy and how you can get past the jargon to think about the underlying principles of location independence Different paths to becoming a digital nomad Finding your purpose Choosing a digital nomad destination in South America Europe Asia and more Tips and tricks for living life as a remote worker abroad Best practices for being an effective remote worker with teammates and clients A long-term strategy for adopting the digital nomad lifestyle To get more details on what's in the book scroll through images above to see the table of contents You'll get access to 100 pages in PDF and EPUB format All future versions of this guide for the rest of your life Exclusive access to an upcoming private community of digital nomads and remote workers One more thing If you're thrown off by the term ebook consider this more like a how-to guide There are probably digital nomad coaches charging hundreds of dollars for one-hour consulting calls and video courses Those overpriced offers will contain a lot of the same info that's in this relatively inexpensive digital book It's a deal Join thousands of other people worldwide in starting your digital nomad journey today

Beyond Free Market Fayyaz Baqir, Sanni Yaya, 2021-05-18 This book explores the causes and consequences of market

failure in bridging societal differences to create a shared economy It questions the current world order and evaluates socio economic gains in reference to the social origins of the economic agents With a need to counterbalance economic growth with social equality and environmental sustainability the book proposes innovative approaches to address key questions on the contemporary global economy such as Is the Global socio economic order supportive of the pursuit of rational and enlightened self interest Is it a unipolar power centre and neoliberal economic policy regime Can the system reinvent itself etc One approach encourages going back to the golden past and making things great again insisting that history has ended and the failures of old global institutions be blamed on the Clash of Civilizations Another approach advocates giving up the intellectual comfort zone of elegant but irrelevant neo liberal explanations of global challenges and asking new questions that take academic debate to the public square The book examines the internal challenges and contradictions that cause disintegration and proposes alternative ideas and practices in moving the global community beyond the free market regime The book will appeal to students and academics of development studies political economy political science sociology as well as policymakers and public opinion makers interested in creating a new egalitarian global society

Cyclescapes of the Unequal City John G. Stehlin, 2019-10-01 A critical look at the political economy of urban bicycle infrastructure in the United States Not long ago bicycling in the city was considered a radical statement or a last resort and few cyclists braved the inhospitable streets of most American cities Today however the urban cyclist represents progress and the urban renaissance City leaders now undertake ambitious new bicycle infrastructure plans and bike share schemes to promote the environmental social and economic health of the city and its residents Cyclescapes of the Unequal City contextualizes and critically examines this new wave of bicycling in American cities exploring how bicycle infrastructure planning has become a key symbol of and site of conflict over uneven urban development John G Stehlin traces bicycling s rise in popularity as a key policy solution for American cities facing the environmental economic and social contradictions of the previous century of sprawl Using in depth case studies from San Francisco Philadelphia and Detroit he argues that the mission of bicycle advocacy has converged with and reshaped the urban growth machine around a model of livable environmentally friendly and innovation based urban capitalism While advocates envision a more sustainable city for all the deployment of bicycle infrastructure within the framework of the neoliberal city in many ways intensifies divisions along lines of race class and space Cyclescapes of the Unequal City speaks to a growing interest in bicycling as an urban economic and environmental strategy its role in the politics of gentrification and efforts to build more diverse coalitions of bicycle advocates Grounding its analysis in both regional political economy and neighborhood based ethnography this book ultimately uses the bicycle as a lens to view major shifts in today s American city
