Ordinary Miracles Ordinary Miracles:

Ordinary Miracles Angela Dudley, 2011-10-31 We walk to God how wondrous our task Simple truth no questions left to ask We walk to God an awesome holy thing Our open hearts are all were asked to bring Ordinary Miracles is an oxymoron in a world where peace seems unreliable and prayers seem unanswered But what if the real world exists where miracles are the norm Miracles of joy and forgiveness always occur within our minds and their external form may or may not be apparent to us However since miracles always come from love they always offer an inner experience of bliss The love that causes miracles is only ordinary because it is always present within us Miracles are ordinary because they are our true nature not a bonus that was earned by someone extra ordinary No matter how successfully we've hidden our inner spark of love it remains with us always the truth of who we are always awaiting our consent to offer miracles The poetry of Ordinary Miracles is the author's response to the inner Voice for God what she calls the Holy Spirit Inspired by A COURSE in MIRACLES these poems celebrate the truth that we always have a choice to invest ourselves in thoughts of kindness rather than criticism happiness rather than sorrow But whatever we choose we cannot change the magnificent reality of what we are The poems are written as an acknowledgment that the Voice for God offers a very personal relationship with each of us The Voice for God is always patient always answers always loves us and to our little effort adds the strength of God In the COURSE Jesus reminds us Love waits on welcome not on time Text chapter 13 The most profound journey we each make is to that place within where God patiently awaits our certain return **Ordinary Miracles** Molly Hawkins, 2013-02-28 When Norman and Molly Hawkins visited a little full gospel church in the tiny village of South Chard in Somerset England in 1968 little did they know then what an incredible life's journey awaited them as a result This book is an account of some of the true and amazing miracles they and others experienced after encountering Almighty God through His Son Jesus Christ To some they sound unbelievable but to our extraordinary God they are simply ordinary miracles *Ordinary Miracles*, 2006 **Ordinary miracles** Tim Draxl, 1999 Ordinary Miracles Linda Crew, 1993 With the warmth of Alice Hoffman the realism of Nancy Thayer and the compassion of Gail Godwin Linda Crew captures both the joy and despair of daily life in a voice that is uniquely her own Betsy Bonden wants a baby very badly but the verdict of infertility plunges her and her husband into a rocky situation until their efforts finally pay off with a magical childbirth *Ordinary Miracles* Nick Taylor, 1994-09-01 *Ordinary Miracles* Erica Jong, 1983 **Ordinary Miracles** Deborah Labovitz, 2003 Find out how people have learned to cope with their troubles and have become stronger by the very act of overcoming obstacles and surviving catastrophes These are their stories written by the people who lived them their families or those who helped them save the day *Ordinary Miracles* Grace Wynne-Jones, 1996 Witty and perceptive debut novel about a contemporary woman fast approaching 40 who leaves her philandering husband and rebuilds her life in the company of her best friend Charlie and his friends **Ordinary Miracles** Dorothy A. Smithyman, Integrity Media Europe, 2010 Ordinary Miracles Robert Coyle, 2024-08-30 Ordinary Miracles offers an unflinching warts and all portrayal of life in Christian ministry This candid depiction is aimed at helping encouraging and challenging Christians as well as provoking aspirations in those considering or currently in Christian leadership Author Robert Coyle brings a wealth of experience and insight shedding light on the often unseen challenges and triumphs that come with dedicating one s life to ministry One of the central themes of Ordinary Miracles is the balancing act between family life and ministry responsibilities Coyle does not shy away from discussing the strain that ministry can place on personal relationships and family dynamics He provides a realistic view of the sacrifices and adjustments that are often necessary offering practical advice on how to maintain a healthy balance This honest exploration serves as both a caution and a guide for those embarking on or currently navigating this path Coyle also emphasizes the extraordinary ways in which God can use ordinary people to advance his kingdom Through a series of personal anecdotes and testimonies he illustrates how seemingly mundane moments and actions can become miraculous through God s intervention These stories serve to inspire and motivate readers reinforcing the idea that one does not need to be extraordinary by the world s standards to make a significant impact in the realm of faith and ministry Ordinary Miracles aims to provoke thought and aspiration in Christian leadership Coyle challenges readers to reflect on their own calling and the unique gifts they bring to the table He encourages them to embrace their imperfections and trust that God can work through them in remarkable ways This perspective is particularly empowering for those who may feel inadequate or uncertain about their place in ministry Moreover Ordinary Miracles highlights the importance of resilience and perseverance in the face of adversity Coyle shares his own experiences of setbacks and disappointments demonstrating how faith and determination can lead to growth and renewal This message is especially relevant in a time when many leaders face unprecedented challenges and uncertainties In conclusion Ordinary Miracles is a compelling and insightful guide for anyone involved in or considering Christian ministry Coyle s honest and practical approach provides a balanced view of the joys and challenges of this calling By highlighting the power of ordinary people to achieve extraordinary things through God s grace the book inspires and equips readers to pursue their ministry with renewed vigour and faith **Ordinary Miracles** MARTYN.
